

– THE CONSEQUENCE OF THE CAUSE CÉLÈBRE SLANDER AS BOER / ANZAC DEFAMATION

(c) 2018 Dolf Leendert Boek, Revision: 23 August, 2018

I have today discarded the last of my friends due to the consequence of the cause célèbre slander as BOER / ANZAC defamation.

MESSAGE #1: I am tomorrow going to prepare an application for the court to seek protection orders for my safety which is being threatened by persons with JINGOISTIC values engaged within BOER / ANZAC defamation.

Accordingly I needed to determine your bonafide in relation to such which you have avoided for the past 4 days.

By 1700 hours if I have not heard from you then I will have to accept that such reluctance is detrimental and will therefore sever all further dialog.

Any #168 - Condemnation / #541 - Contemn in relation to Remembrance 11 November 2018 centennial is then a matter for your own conscience and accountability and bears ***NO*** consequence upon myself.

When 1700 hours ticks by then my course of life will be determined

MESSAGE #2: For whatever reason you have not sought by any motivation of empathy and association of mate ship to have responded to my request of you to establish the bonafide and goodwill intentioned of our association.

I must therefore in compliance with the egalitarian values and principles as impetus for 24 years of labour put duty to STATE above any other wants of life and accordingly must discontinue our friendship on grounds that you have violated my trust.

And that you will be incapable of redeeming your circumstance in relation to myself given the gravitas of betrayal which is made capricious by wilful inaction.

I'm not going to wait until 1700 hours and will facilitate closure now.

There is no value in saying: God keep your soul.

Because you don't believe in God for starters.

ADIEU

DOLF @ 0426 HOURS ON 21 AUGUST 2018: "How is your loony infatuation of Adolf Hitler's association with such as FREEMASONS since it provided the institutional impetus and #231 - JUXTAPOSITION CONTROL for his political party?

Why are you in denial of his equivalent values as IDEA @215 - BIBLE STUDENTS which you SHARE in totality?

<http://www.grapple369.com/docs/Hitler_Table_Talk.pdf>

We acknowledge this day the dual solar eclipses of 21 August 1914 and 2017 and that those of ROMAN CATHOLIC CHURCH / FREEMASONRY / KNIGHTS TEMPLAR INTERNATIONAL / SAINT ANDREWS CAUSE CÉLÈBRE et al whom subscribe to an #288 - UMBRA associated with a binomial HETEROS THEORY OF NUMBER derived GOVERNANCE may not convey thereby any prerogative or providence upon the trinomial #391 - HOMOIOS THEORY OF NUMBER derived GOVERNANCE to which they must submit.

DOLF @ 0429 HOURS ON 22 AUGUST 2018: "We are intended to raise at the MAGISTRATES COURT in consideration of COURT ORDERS conveying the equivalence between your JINGOISTIC values {#260 ... #175 ... #65 ... #34} and those of GERMAN VOLKISCH values as NAZIsm.

It's more logical to believe that you are a dipstick as a constipated grunt such that your turd 🍌 opinion is of no importance to anyone else...

That you are using ignorance as a #231 - JUXTAPOSITION CONTROL because you are in denial of your own neo-Nazi identity over which you desire to cast aspersions upon others or leave the matter as nebulous."

LIONS GROWL OF BUTCHERS FOUL (SCREAMING.NUTBAG@GMAIL.COM) @ 1104 HOURS ON 22 AUGUST 2018: "The Court will probably order a mental health assessment if you do that, because it sounds completely insane."

DOLF @ 1151 HOURS ON 22 AUGUST 2028: "That is the capricious and false statement which I required as the substance of the claim that you

are engaged within a cause célèbre of BOER / ANZAC defamation and sedition.

I am intentioned over the coming days [to] prepare documents of complaint so as to bring the matter to the MAGISTRATES COURT for protection by the STATE."

LIONS GROWL OF BUTCHERS FOUL (SCREAMING.NUTBAG@GMAIL.COM) @ 1107 HOURS ON 22 AUGUST 2018: "There is nothing "FALSE" about calling your complete gobblidegook, complete gobbledigook.

There is nothing "FALSE" about calling your complete gobblidegook, complete gobbledigook.

As for 'DEFAMATORY', your reputation for posting complete gobbledegook on the internet has been established since - from memory - at least as far back as 2000."

DOLF TO CLAIMS ASSESSORS AMP INSURANCE @ 1530 HOURS ON 23 JULY 2018: "I ought not have been urged to produce any letters with threats for non compliance as correspondence from the Insurer is a matter of your own administration accountability and not mine. But I suppose such contact which you seek to make would only be necessary in the circumstance that the Insurer ought to satisfy themselves that I am not deceased within the interim period as there is no other impost which you can make upon me.

When do you think that my salary benevolence for this period will be credited to my BANKVIC (Police Credit Coop) account?

FINANCIAL SERVICES ROYAL COMMISSION SUBMISSIONS AS SUMMARY OF THOSE DATED: 17 TO 20 JULY 2018 BY DOLF LEENDERT BOEK IN RELATION TO SALARY CONTINUANCE CONTRACT OF INSURANCE

This document comprising some #75 page as constituting a final draft which has been made to assist the FINANCIAL SERVICES ROYAL COMMISSION is attached.

So anyways a Telstra NBN pop up van was in the street and I also gave them a copy of that document because it names ANDREW PENN (whom is their CEO) upon pages #73 to #75 and indemnified him given the Saint Andrews Street / Telstra agreement <<http://www.grapple369.com/jubilee2000.html>> of 16 May 2000 as dispersal of entitlements within a PRIVATE STREET and his being prior CEO to AXA GROUP INSURANCE as

whom you acknowledge gave me a release from any further medical reporting in 2007.

They were visibly shaken by the contents of that submission."

DOLF @ 1151 HOURS ON 22 AUGUST 2028: "Th[ose] details are before both the FINANCIAL SERVICES ROYAL COMMISSION which is constituted by the power / authority of the GOVERNOR GENERAL under the auspices of the ROYAL COMMISSION ACT of 1902 (Royal Assent on 8 August 1902)

Your conduct is unlawful and without accountability. All I need is one wrongful and capricious statement from you and I will take the matter before the COURTS."

LIONS GROWL OF BUTCHERS FOUL (SCREAMING.NUTBAG@GMAIL.COM) @ 1656 HOURS ON 22 AUGUST 2018: "You are clearly insane."

DOLF @ 1811 HOURS ON 22 AUGUST 2018: "Any [further] statements you make will be produced in my COURT APPLICATION to be made against your unfounded slander as BOER / ANZAC defamation.

YOUR STATEMENT: "You are clearly insane" is an Impunity of our right to religious belief in the exercise of voluntary will without coercion.

You have shown a disregard for the SOVEREIGN PRINCIPLE enumerated by the MAXIM:

DIEU ET MON DROIT

As a policeman we swear an oath to such and have the motto:

TENEZ LE DROIT

LET ME SPELL IT OUT TO YOU ATHEISTS AND ROMAN CATHOLICS THAT IF DIEU ET MON DROIT is the motto of THE SOVEREIGN. Then you are by your impious conduct:

- Impugning our entitlement to fair Justice;
- As a battle cry then impugning our BOER / ANZAC tradition whom have engaged within theatres of war;
- Impugning our right to religious belief in the exercise of voluntary will without coercion;

Such a statement which you gleefully make is an antagonism to our BOER / ANZAC tradition as TREASON since a CATEGORICAL IMPERATIVE is implied...

You are not entitled to my Grapple369 paradigm being a trinomial mathematical theoretical noumenon as Intellectual Property.

Therefore I'm concerned for other's welfare in that if I attend their business then I might be subject to JINGOISTIC revenge (I've had over \$20,000 damage to car / home) as people seek to justify their erroneous ANZAC tradition which I can associate with acts of #312 - TERRORISM such as the Russian novichok poisonings.

"FOR THOSE BRAVE WHO GAVE THEIR LIVES SO WE COULD LIVE OURS"

<<http://www.grapple369.com/images/Knights%20Mantra.jpg>>

LEST WE FORGET

And I cannot subject your good selves to such grievous acts.

In my letter to the State / Federal Attorney Generals for their Diary Note, I stated that the Boer War is the cornerstone of Australian identity as ethos of "OBEDIENT, AIDING AND ASSISTING" and we reject CATEGORICALLY [others] unreasoned disloyalty by INTELLECTUAL assent

given to Foreign Powers {ie. especially Irish, Scottish, RSL / Freemasonry / Roman Catholic [by] Saint Andrews Cause Célèbre} as all unconscionable attempts to impose a substituted ethic @5 against the INTELLECTUS AS GENITIVE VOLUNTATUS whether by NEGLECT or forced WILL upon our War Dead and to usurp @1 the Sovereignty embodied within the Governor General as ANTHROPIC COSMOLOGICAL PRINCIPLE.

Such a statement of value as demonstrated by the inclusion of the State of Israel's flag amongst the Ca[val]ry [within the] 100 year anniversary re-enactment of the Battle of Beersheba is a priori, not mantric as dogma, requires no apologetics and proffers the utmost tactical, endearing and enduring advantage for posterity as prosperity...

In accordance with this pre-eminent value statement which was heartedly adopted by the participants within that public ceremony which occurred within the State of Israel, compliant with the 500 year anniversary of Martin Luthers nailed #95 treatise which commenced the Protestant Reformation and the [centenary to the] Balfour Declaration [occurring] 2 November 2017, I had upon Saturday of 28 October 2017 immediately removed FOUR {3 Wreaths and 1 Bouquets} floral arrangements after th[is] Remembrance Service made for the Beersheba Centenary and before the actual events occurring within the State of Israel and doing so [entirely] without neither authority nor notification given to [or by] another party.

I have thereafter maintained a photographic timeline of events and of particular note is the regrettable circumstance, that although the THREE {2 Wreaths and 1 Bouquets} floral arrangements were removed from the main Memorial Shrine, 82 Macalister Street, Sale upon the following Saturday 4 November 2017, they have remained in a dried {

#368 = #6, #10, #2, #300, #10, #40 as yabesh (H3002): {#3 as #312 % #41 = #25} 1) dry; 2) dried

} state at the Boer War Memorial situated on the corner of York Street / Foster Street by the time the COURT ORDERS were made in the matter @ 1025 HOURS on 8 NOVEMBER 2017.

I have to be especially careful before this forthcoming Remembrance Day 11 November 2018 Centennial which I associate to the MAXIM: DIEU ET MON DROIT as the motto of THE SOVEREIGN.

It's very serious..."
