THERE IS A DIFFERENCE BETWEEN GRUNTS AND THOSE WHO ARE ORDAINED TO SOVEREIGN RULE.

You were not content to convey a partial lack of respect shown to our BOER WAR Memorial on 8 October 2016, 4 and 17 March, 2017, 25 April 2017 and 8 June 2017.

But as determined and conspicuous acts of racial, sexual and religious depravity in which you had willingly engaged as cause célèbre of perversity with the amoral Roman Catholic members of the Wellington Shire Council you have disgraced the nation's conscience as sacred memory of the ANZAC Tradition and are hereby prorogued by authority of the CROWN from ever participating within any further ANZAC DAY of 25 April and REMEMBRANCE DAY of 11 November EVENTS and of misrepresenting yourselves as benefactors of the STATE.

Your only contribution to such solemn dates is as:

PISSY  
SISSY  
TURD  
DRUNKS

And Godless SCUM who are given to sidewalk opportunism alone as your self declared virtue and dignity.

As an ex-policeman and owning an Intellectual Property as trinomial noumenon of substantiated YAHAD {#509} TORAH / CHRISTIAN religious belief of 72] BCE =  $12 \times 294 \times 364$  or Tropical Year as  $293 \times 365.2423208191126$  days which is better cosmology knowledge than the Julian calendar of 46 BCE and only corrected by the Gregorian calendar in 1582 CE, and in having been the target of Roman Catholic persecution for some 20 years as a gay male, I most strongly object to your apology for fascism.

"They went out from us, but they were not of us; for if they had been of us, they would [no doubt] have continued with us: but [they went out], that they might be made manifest that they were not all of us." [1 John 2:19 (KJV)]

“Remember me when I am gone away as the fleeting of day.

Gone far away into the silent land and the sway of drifting sand.

When you can no more hold me by the hand nestled together with wedded  
band;

Nor I half turn to go yet turning stay to have loved thee come what may.

Remember me when no more day by day as each dawn and dusk sway.

You tell me of our future that you plann'd--I do, and I'm sad.

Only remember me; you understand and are glad.

It will be late to counsel then or prey upon impish schemes of hell.

Yet if you should forget me for a while as you await Heaven's trial.

And afterwards remember, did not grieve over life's moments you thief.

For if the darkness and corruption leave those you deceive.

A vestige of the thoughts that once I had were evil and bad.

Better by far you should forget and smile your fence post hole is just your  
style.

Than that you should remember and be sad no more over any eternity you  
never by God's Grace had." [Adaption of a poem by Christine ROSSETTI]

“For if we sin wilfully after that we have received the knowledge of the truth, there remaineth no more sacrifice for sins, but a certain fearful looking for of judgment and fiery indignation, which shall devour the adversaries.

He that despised Moses' law died without mercy under two or three witnesses:

Of how much sorer punishment, suppose ye, shall he be thought worthy, who hath trodden under foot the Son of God, and hath counted the blood of the

covenant, wherewith he was sanctified, an unholy thing, and hath done despite unto the Spirit of grace?

For we know him that hath said, *Vengeance belongeth* unto me, I will recompense, saith the Lord. And again, The Lord shall judge his people.

*It is* a fearful thing to fall into the hands of the living God.

But call to remembrance the former days, in which, after ye were illuminated, ye endured a great fight of afflictions;

Partly, whilst ye were made a gazingstock both by reproaches and afflictions; and partly, whilst ye became companions of them that were so used.

For ye had compassion of me in my bonds, and took joyfully the spoiling of your goods, knowing in yourselves that ye have in heaven a better and an enduring substance.

Cast not away therefore your confidence, which hath great recompence of reward.

For ye have need of patience, that, after ye have done the will of God, ye might receive the promise.

For yet a little while, and he that shall come will come, and will not tarry.

Now the just shall live by faith: but if *any man* draw back, my soul shall have no pleasure in him.

But we are not of them who draw back unto perdition; but of them that believe to the saving of the soul." [Hebrews 10:26-39 (KJV)]

**THIS IS TO ADVISE YOU THAT THE Paganini Community in Turin Italy ARE NOT LAWFULLY AUTHORIZED TO ACCESS, STORE, RETAIN ANY OF MY USENET MESSAGES**

IVO GANDOLFO @ 2013 HOURS ON 3 JULY 2017: "Dear dolf, sorry for the delay in this respond but we have some problem's to change from old domain to the new domain.

Please reply to this email in the future.

As far as your request is concerned regarding your post in aus.politics, we cannot comply, as USENET has been created like this. We can not skim the messages by origin because we receive your messages through our peers (so this proves your lack of knowledge of how USENET works). Your messages are currently backed up on all USENET servers (which we do not have access to) that are currently on the planet running the AUS.\* hierarchy and also from Google Groups (just do a search if u don't trust me).

And, furthermore, I see that your provider has set up Cancel-Locks for all your messages, so the only person in the world who can cancel them is you.

If you do not want to send your messages to everyone on the Internet (including anyone outside Australia), add your header "X-local: yes" to all your posts, so your messages will never be out of your server but this will also prevent all other servers from reading your messages.

And please, next time \_read\_all\_the\_message\_before\_getting\_upset! :)

Cheers

Paganini Usenet Admin (Service is Registered in France)

P.S. this email was send in carbon copy to the AUS.\* hierarchy admin's."

DOLF: "You are not entitled to re-transmit nor store my copyright material which has twice been defended under the DMCA (USA) from ROMAN CATHOLIC VATICAN CITY-STATE misappropriation.

This notice will be placed in Google GROUPS archives which is the only authorised repository for my Intellectual Property.

**ADVICE TO POETRY FOUNDATION ABOUT INFRINGEMENT OF DMCA  
COPYRIGHT ENTITLEMENT**

I object most strongly as an attempt to impose upon my Intellectual Property rights as twice successfully defended under the DMCA (USA) Act against any theft by neophytes to the Roman Catholic Church (Vatican City-State).

My trinomial noumenon is associated to 11 SEPTEMBER 2001 and your irrational tagging of #SEPTEMBER 11 to ROSSETTI's COARSE and over-rated POEM does not bestow you any such entitlement.

If you don't remove the blasphemous #TAG I will take legal action against your www-site.
