There has been no response from COUNCIL to our IBAC NOTE dated
17 APRIL 2023 with respects to a substantiated claim of "**IRISH
CATHOLIC WAR CRIMES WITH THEIR ATLANTIS 25 APRIL
1915 PHANTASM**" and our reasonable view that "the only means
remaining for WELLINGTON SHIRE COUNCIL to mitigate vicarious
liability associated to any intended LEGAL ACTION is to remove the
CHERISHED / BLESSED MOTHER WITH NAKED CHILD STATUE
before KING CHARLES III coronation on 6 MAY 2023."

This now protracted matter of "BOER / ANZAC DEFAMATION AS
PERSECUTION" occasioning DEATH THREATS, ITS RE-
ENFORCEMENT BY INTERNET STALKING FROM LOCAL PERSONS
WITH AN ANONYMOUS IDENTITY, SLANDER, PROPERTY DAMAGES
amounting to \$30,000 costs which constitutes in our view, acts of
domestic terrorism was a matter responded to by TIM ROWE upon
22 MAY 2018: "Council acknowledges receipt [ECM 2332240 / Our
reference TR:SM] of the letter and advise that no further action will
be taken at this point in time" who was also MASTER OF
CEREMONIES at the SAINT PATRICK'S DAY 17 MARCH 2017
unveiling of the CHERISHED / BLESSED MOTHER WITH NAKED
CHILD STATUE.

A further email response by ALAN HILL dated 18 NOVEMBER 2021
stated that on any "suggestion for the relocation of the Cherished
Memorial.

To this matter, I can advise that Council has no plans for removing or relocating this monument from its current location."

Council is aware that that the STATUE was unveiled on SAINT PATRICK'S DAY which has nothing to do with any STATE / FEDERAL APOLOGIES but rather as a TROJAN in the cause HIJACKING OF THE ANZAC 2018 CENTENNIAL and against the HISTORICAL context of SOVEREIGN interactions within the area.

For which we are continually being subject [to] persecution and have now reached a point in our deliberation of the matter where we can instruct legal counsel and seek a remedy from COUNCIL, including the costs of relocation to a safer region where the risks of threats are reduced, in being more conducive to life and wellbeing.

Towards that determined end of matters, we are including herewith (in addition to those same documents et al already provided b[y] email) by REGISTERED POST several documents, namely:

-- DEVISING THE IDEA TEMPLATE TO QUEEN VICTORIA'S LETTERS PATENT AND HYPOTHESIS ON ONTIC VARIANCE

<<http://www.grapple369.com/Groundwork/Letters%20Patent%20Variance.pdf>>

We will allege in our legal claim that such document is an anathema to WELLINGTON SHIRE COUNCILLOR conduct and evidence that they are by a habitual failure of will to action against the seditious cause, activ[ely] giving material support for "**IRISH CATHOLIC WAR CRIMES WITH THEIR ATLANTIS 25 APRIL 1915 PHANTASM**"

-- IBAC NOTE DATED 17 APRIL 2023 CONVEYING A SUMMARY [AS] INCONTROVERTIBLE EVIDENCE OF "IRISH CATHOLIC WAR CRIMES WITH THEIR ATLANTIS 25 APRIL 1915 PHANTASM"

<<http://www.grapple369.com/Groundwork/IBAC%20Notes%2020230417.pdf>>

Since many of the actions involved WELLINGTON SHIRE COUNCIL approval, then they must accept there is a vicarious liability for any legal action which we intend to undertake. Whilst removal of the STATUE as a TROJAN SEDITIOUS OBJECT before KING CHARLES III

coronation on 6 MAY 2013 will significantly mitigate COUNCIL's precarious circumstance.

-- IBAC NOTE DATED 19 APRIL 2023 CONVEYING A SUMMARY OF OUR 17 TO 20 JULY 2018 SUBMISSIONS TO THE FINANCIAL SERVICES ROYAL COMMISSION WHEREIN IT IS INFERRED THE #232 - METHODOLOGY SCHEMA (to decree, exclude, cut-off / dispute, controversy, case at law) RELATED TO DICHOTOMY OF TERMS IN AN INSURANCE CONTRACT APPEARS THE SAME AS THE ANZAC 2018 CENTENNIAL HIJACKING AND PROVIDES OURSELVES WITH AN ILLEGALITY DEFENCE AGAINST THE INSURER AS A LEGAL MATTER OF 25 YEARS PRIOR.

<<http://www.grapple369.com/Groundwork/IBAC%20Notes%2020230419.pdf>>

It ought to be noted from the transcript of a VCAT proceeding on 7 DECEMBER 2001 as CASE NUMBER 500 / 2000 that an INTELLECTUAL PROPERTY claim is asserted relative to the lunar metonic cycle of **WED 20 MARCH 1996 / NEW MOON 21 MARCH 1996** which has a 19 year reprise on the **TOTAL SOLAR ECLIPSE of 20 MARCH 2015.**

That any unauthorised use of said INTELLECTUAL PROPERTY associated with the technologizing of QUEEN VICTORIA'S LETTERS PATENT such as claim[ed] to have occurred with the "ANZAC 2018 CENTENNIAL HIJACKING" in thereby depriving me of an entitlement and recognition to claim of discovery is both unlawful and forbidden.

I have not laboured for 25 years just so that someone can steal my life opportunity.

Regards

Wellington Shire
