This possible source of the BAGUA follows, that designated by King Wen of Zhou Dynasty: "When the world began, there was heaven and earth. Heaven mated with the earth and gave birth to everything in the world. Heaven is Qian-gua, and the Earth is Kun-gua. The remaining six guas are their sons and daughters".

The other source of BAGUA is the "Earlier Heaven" or "Fu Xi" arrangement. And its relationships are explained within the following way:

```
7  6  4
9  5  1
3  2  8
```

The Limitless (wuji) produces the delimited (youji), and this demarcation is equivalent to the Absolute (taiji) or in Kabbalist language as the Infinite Void / Nothingness (AIN SOF - Infinite Being) as The Primordial Source.

The Taiji (the two opposing forces in embryonic form) produces two forms, named yin-yang which are called Liangyi (the manifested opposing forces).

Yin (Passive/Female Principle) and Yang (Active/Male Principle)

These two forms produce four phenomena (Sìxiàng):
PROGRESSION: Lesser Yin (shaoyin)
SYNTHESIS: Greater Yin (taiyin, which also refers to the Moon)

ANTI-THESIS: Lesser Yang (shaoyang)
THESIS: Greater Yang (taiyang, which also refers to the Sun)

These four phenomena (Sixiàng) act on the eight trigrams (Bagua) which are used within Daoist cosmology to represent the fundamental principles of reality, seen as a range of eight interrelated concepts associated only to nature’s process of PHUSIS as growth (by germination or expansion), that is, (by implication) natural production (lineal descent); by extension a genus or sort; figuratively native disposition, constitution or usage:—([man-]) kind, nature ([-al]).

JAMES CARMODY (ABC NEWS) @ 1620 HOURS ON 25 FEBRUARY 2018:
“UNUSUAL' THUNDERSTORM HITS PERTH'S SOUTH, TEARING OFF ROOFS, FLOODING HOMES:

The Department of Fire and Emergency Services is attending dozens of call outs for storm damage in Perth's southern suburbs after a severe thunderstorm hit Rockingham.

Bureau of Meteorology forecaster Adam Connery said it was not an average thunderstorm.

"This cell is reasonably unusual in that it formed over water and was very intense and observing wind gusts of 130 kilometres per hour is very strong," he said.

"It's certainly enough to cause damage particularly to trees and that sort of thing and can also cause property damages which is what we've seen out of this."

"The thunderstorms also have reasonably low bases, which means there's a fair bit of lightning activity with it and a fair risk of that lightning hitting the ground."

That risk led Surf Life Saving WA to close a number of beaches south of Perth including Secret Harbour and San Remo."

MARK LANGFAN (ARUTZ SHEVA) @ 0800 HOURS ON 22 FEBRUARY 2018: "HOW TRUMP HAS MADE ISRAEL'S LEFTIST GENERALS LOOK LIKE RANK FOOLS:

No one needs to have an Israeli security clearance to monitor what the Palestinian leaders are saying about their obsessive desire to murder every Israeli in Tel Aviv.

Look at a 4 January, 2013 statement by Mahmoud Abbas: “We must remember the pioneers - the Grand Mufti.” In 1939, before there was a State of Israel, before there was a 'West Bank', there was Haj Amin Al-Husseini, the British appointed Palestine Mufti who wanted nothing other than to murder every last Jew and Englishmen in what was then the Palestine mandate.

Al-Hussieni went on to foment the genocidal murder of 600 Jews in Bagdad in a pogrom when the pro-Nazi coup was quelled by England. Al-Husseini then met with Adolf Hitler who at their meeting on 28 November, 1941 promised the “total destruction” of the Jews. And then the next day, 29 November, Heydrich sent out the invitations to the Wannsee Conference where the Final Solution was said to have been officially formulated and implemented.

THE GENOCIDAL NAZI PLAN TO MASS-MURDER JEWS IS INEXTRICABLY INTERTWINED WITH THE GENOCIDAL PALESTINIAN PLAN TO MASS-MURDER JEWS.

The problem is the leftist Israeli generals think that despite all evidence to the contrary, they have the silver bullet. In reality, the Two-State Solution “bullet” is aimed at the State of Israel and its 6 million Jewish inhabitants.

These generals think that if their “solution” doesn't work out, they can reinvade the ‘West Bank’ just as they invaded it in 1967. They’re reliving the glory of the 1967 war, instead of understanding the fact fact that 2018 is not 1967. But whether they are fools or traitors for money, the bottom line is they need to be exposed for the *TUTTI* lies they are spewing and the infecting of Jewish minds.
There is a reason no Israeli Leftist general would ever debate me: I would expose them for the military frauds that they are. But, time is short. There may be another election soon. Everyone has to study and be prepared to expose these talking heads for the frauds that they are.

It’s a testament to President Trump’s truth in diplomacy that one obvious declaration of reality has shown these Leftist Israeli generals up as the rank fools that they [really] are.” [http://www.israelnationalnews.com/Articles/Article.aspx/21743>

*TUTTI* (adjective):
- [Music]: all; all the voices or instruments together.
- [Music]: intended for or performed by all (or most of) the voices or instruments together, as a passage or movement in concert music (opposed to solo).

(noun):
- [Music]: a tutti passage or movement.
- [Music]: the tonal product or effect of a tutti performance.

Word of the Day for 24 February 2018; Courtesy: www.dictionary.com

ORIGIN: The Italian word tutti means “all,” i.e., all the instruments or voices of an orchestra together. Tutti is the masculine plural of tutto “all,” from Vulgar Latin totus (unattested), from Latin tōtus.

Uncertain. Perhaps related to Oscan †ΟΫΟ (tuto, “community, city-state”), Umbrian †ΟLOYEE (totam, “tribe”, acc.), from Proto-Italic toutā (“people; populace, citizenship”) from Proto-Indo-European tewtéh₂ (“people”).

Tutti entered English in the 18th century.

QUOTES:
“He used to say that music could be either about almost nothing, one tiny strand of sound plucked like a silver hair from the head of the Muse, or about everything there was, all of it, tutti tutti, life, marriage, otherworlds, earthquakes, uncertainties, warnings, rebukes, journeys, dreams, love, the whole ball of wax, the full nine yards, the whole catastrophe.” [Salman Rushdie, The Ground Beneath Her Feet, 1999]

“You will hear the very obvious difference in volume between the tutti notes and the immediately following music, which is still forte but is played by fewer instruments.” [Robert Nelson, Carl J. Christensen, Foundations of Music, 2006]
"When the Son of man {ie. the unencumbered will of the self-identity as formula of autonomy according to the HOMOIOS THEORY OF NUMBER} shall come in his glory, and all the holy angels with him, then shall he sit upon the throne of his glory:

And before him shall be gathered all nations: and he shall separate them one from another, as a shepherd divideth his sheep from the goats: And he shall set the sheep on his right hand, but the goats on the left.

Then shall the King say unto them on his right hand, Come, ye *BLESSED* *OF* *MY* *FATHER*, *INHERIT* *THE* *KINGDOM* *PREPARED* *FOR* *YOU* *FROM* *THE* *FOUNDATION* *OF* *THE* *WORLD*...

[Matthew 25:31-34 (KJV)]

Dead Sea Scrolls allude to this apocalyptic event as the outpouring of the Holy Spirit: "In his mysterious insight and glorious wisdom God has countenanced an era in which perversity triumphs {ie. *THE* *RULE* *OF* *BELIAL* / *SERPENT* / #351}, but at the time appointed for visitation He shall destroy such forever. Then shall truth come forth in victory upon the earth. Sullied by wicked ways while perversity rules, at the time of the appointed judgment truth shall be decreed. By His truth God shall then purify all human deeds, and refine some of humanity so as to extinguish every perverse spirit from the inward parts of the flesh, cleansing from every wicked deed by a holy spirit. Like purifying waters, He shall sprinkle each with a spirit of truth, effectual against all the abominations of lying and sullying by an unclean spirit. Thereby He shall give the upright insight into the knowledge of the Most High and the *WISDOM* *OF* *THE* *ANGELS*, making wise those following the perfect way.

Indeed God has chosen them for an eternal covenant; all the glory of Adam shall be theirs alone. Perversity shall be extinct, every fraudulent deed put to shame.

Until now the spirits of truth and perversity have contented within the human heart. All people walk in both wisdom and foolishness. As is a person's endowment of truth and righteousness, so shall he hate perversity; conversely, in proportion to bequest in the lot of evil, one will act wickedly and abominate truth. God has appointed these spirits as equals until the time of decree and renewal. He foreknows the outworking of their deeds for all ages [of eternity]."

Some *Mores* / laws apply according to the dictums and needs of the temporal relativity as the determined age / aion so as to enable the survival of the self ego through the passage as the continuum of time itself but do not apply in the circumstance where all time is known: “For in the resurrection they neither marry, nor are given in marriage, but are as the angels of God in heaven.” [Matthew 22:30 (KJV)]

*Mores* (noun):
- [Sociology]: folkways of central importance accepted without question and embodying the fundamental moral views of a group.
- Word of the Day for 25 February 2018; Courtesy: www.dictionary.com

ORIGIN: The Latin noun mōrēs is the plural of mōs “custom, habit, usage, wont.” The Latin noun, whether singular or plural, has a wider range of usage than English mores has. Mōs may be good, bad, or indifferent: in Cicero’s usage the phrase mōs mājōrum “custom of our ancestors” is roughly equivalent to “constitution”; mōs sinister means “perverted custom,” literally “left-handed”; and Horace used to walk along the Via Sacra as was his habit (mōs).

Mores entered English in the late 19th century.

QUOTES: “… as Lincoln now feared, with the passing of this noble generation, ‘if the laws be continually despised and disregarded, if their rights to be secure in their persons and property, are held by no better tenure than the caprice of a mob, the alienation of their affections from the Government is the natural consequence.’ To fortify against this, Lincoln essentially proposed that the national mores of America—taught in every classroom, preached in every church, proclaimed in every legislative hall&mdash;must revolve around ‘reverence’ to the laws …” [David Bahr, "Abraham Lincoln’s Political Menagerie," Forbes, June 29, 2017]

“... the artist has always considered himself beyond the mores of the community in which he lived.” [Philip Roth, The Ghost Writer, 1979]

**YOUTUBE:** "Never Again? How How fascism hijacks democracies over and over (ROB RIEMAN)"

<https://www.youtube.com/watch?v=ye4jKSNHhms>

**ROB RIEMAN (T.U.R.D PHILOSOPHER @ BIG THINK) ON 4 FEBRUARY 2018:** "Why is it difficult to identify fascism?

Well the first, the main reason I think, is that it’s bad news. And with bad news, with inconvenient truths the natural response is denial, right?

The most famous form of denial related to inconvenient truth was the report of the Club of Rome in 1972 limits to the growth, which was the first scientific report to make clear for the whole world that an ongoing economic growth in a industrial society will have devastating consequences for the planet. And the denial was enormous for decades. Now the denial is no longer possible and, you know, governments try to do what they do, and Greenpeace and other organizations—But imagine how the world, how the planet would have looked like if at that time people would have realized yes, it’s an inconvenient truth but they are right. We wasted time.

So the first part and to say look, the return of fascism is an inconvenient truth.

The second thing is... it’s very embarrassing, you know. After World War II, especially in my part of the world where fascism came from, Europe, at our commemoration day we will say, “never again”. That’s what we said all the time: “Never again.”

And so the whole idea that this terrible, terrible thing of fascism could be back was, you know, out of the question.

The third element is the phenomenon of we do not know our history anymore. There is a kind of political amnesia.

And so we are, we have forgotten some extremely important warnings which the warnings did not come from the political scientists. The warnings came from important artists. Novelists like Albert Camus and Thomas Mann, two great artists who lived through the era of fascism.
And in 1947, independent of each other, said “Don’t make the mistake. World War II is over but fascism did not disappear.”

Camus even wrote a very important novel about it, La Peste, The Plague, trying to explain “Look, this phenomenon of fascism is there to stay because it’s the dark side of every democracy. In every democracy it is possible that at the very moment the spirit of democracy is gone then you’ll get a society (which we now call a mass society) which is no longer cultivating the high ideals of a democracy, but you get the kind of society which is dominated by our lowest instincts – greed, fear, resentment, hatred, propaganda, stupidity. And that’s where the demagogues and the populists will move in and they will present their own version of fascism.

But we don’t recognize it, again because the idea is – well we know fascism is a bad thing, but in our, you know, media, Hollywood-oriented visual culture... look, in a visual culture, evil has to be very visible.

Look at Batman, right? Batman, handsome guy. And who’s the evil guy? The Joker, and you immediately see that is an evil man, right?

And James Bond, you immediately recognize who are the good guys and who are the bad guys. So we think that if there’s evil in our society you have to be able to immediately see it, right?

And so when it comes to fascism probably we’ll have swastikas and black uniforms and silly gestures. Now of course on the fringe there are always those lunatics who like to present themselves “Oh we are fascist” or “we are Nazis” or whatever. That’s the fringe. We can ignore, I mean, those idiots are always there.

But the fascism in our time will present itself in forms of our time.

So we have to look at the characteristics because the characteristics will be the same.

You and I—everybody who looks at this—will be different next year and five years from now, okay, because of time. At the same time we’re still the same, because our characteristics are still the same.

And so what are the characteristics of a fascist culture? In a fascist culture you’ll always have, and again, you know, the terrible examples of Mussolini, Franco and Hitler—they tell us: The fascist leader will always come forward in a time of crisis.

He—most of the time it’s a he—will present himself as the anti-political leader who will cure society of all social evils. A kind of new messiah. It's a cult figure.
It will always be a form of extreme nationalism, you know, to “make the country great again”. That’s a very old phrase every fascist will use. Deprived of any positive idea, not even interested in it, because those fascist leaders are completely obsessed by self-interest. It’s all about them, them, them, them—them and nothing else.

They know they have to use all kinds of propaganda to captivate and brainwash and manipulate people. Again this is also an old story. I mean interestingly—enough the focuses of Sigmund Freud—Mr. Bernays, came here to America in the twenties and he wrote a small essay which is still available, entitled Propaganda.

And Bernays became the godfather of marketing and he became also very rich because he was one of those people who at that time managed to make women smoke. And he also could use the techniques of his uncle Sigmund Freud. But anyway in his essay Propaganda he in a very honest way said look, of course America is a democracy and Washington was the president and the congress.

He said, “but beyond that is an invisible government. And that’s us. Because we can control the mind of the people by marketing, by propaganda, by advertisement, a whole commercial culture is like this, right?”

So interestingly enough when the Nazis came to power in the thirties he got in touch with the White House and said look, you know, I know those people. Not personally but I know that Goebbels because I know their techniques. Probably I can help you because we will have the war of propaganda.

So anyway, propaganda. The other thing is all fascists will be and have to be: pathological liars. It will always be lies, lies, lies, lies, lies.

And a very telling example is that one of my intellectual heroes, Thomas Mann, who came to America in 1938, in 1948 he gave a lecture in L.A. And he said at that time, “if fascism should come to America it will come in the name of freedom.” And interesting enough so many of those fascist parties are parties for freedom including my country, the Netherlands, is the Party for Freedom. Of course this is a lie.

(Unintelligible) Okay, so there was this thing of and the demand of complete loyalty.

Then because the crisis is there so we always are in need of a scapegoat. The Jews or the Mexicans or the black people or people from Poland or wherever. They always are in need of a scapegoat. They are always in need of new enemies. And so the thing is that fascism is a political expression of our lowest human instincts. And with a leader who knows how to use it, you’ll get a very corrosive process in your democracy.
What we should never forget – two things about this.

We should never forget that Hitler could come into power through a democratic process. It was a democratic process. And even more telling than that: he lost the popular vote. He had 11 million votes, and 22 million voters did not vote for him. But the political parties, the power elite at that time thought well, you know, we can use the guy, we can control him. We give him this responsibility then people will understand what kind of failure he is, et cetera, et cetera, et cetera, so many things as we’re seeing here right now.

And then there is this terrible blind spot.

So even one of the great heroes of the twentieth century, Winston Churchill, on February 1933 – so Hitler was already in power. He gave a speech for the League Against Socialism—because as a real conservative, for Churchill, socialism was one of the terrible things and he immediately related it to Bolshevism, et cetera. In this lecture he gave there he says, he says quote-unquote, “In Italy it was Mussolini. Mussolini is the Italian genius of law and his fascism might be the strategy for our future.” Churchill in 1933. I mean it took him even a couple more years to realize what the connection is between Mussolini and Hitler.

So if even if Churchill, you know, can make this mistake, and he was not the only one—I mean even Freud in the thirties dedicated one of his books to Mussolini. And with a whole line up of hundreds of intellectuals who wanted to see Mussolini. He wasn’t only a politician but he also was a poet, he wrote plays, et cetera, et cetera, et cetera.

So anyway fascism always comes with a huge temptation.

This is also the reason why so many intellectuals and so many artists on the one hand they could go off to Stalin and, you know, Stalin is the new messiah. But they also felt, you know, temptation to fascism. So if you put all these things together we realize that again in moments of crisis when people are losing trust in their own political system—which is happening—when the democratic spirit is going out a new anti-democratic spirit will come in.

And if we have bad luck—and we are now having a lot of bad luck in Europe, and here—and here the risk is a leader with a fascist mindset."

**#120 DAYS OF SODOM {SALO / SALE}**

And I leave you with this close to final thought to better illustrate the point. That the thing which most disturbed my moral sensibilities as a purposed life which is mindful of its social accountabilities with respects to the director Paolo Pasolini’s film SALO: 120 Days of Sodom.

Was not the parody, that they disgustedly 'eat shit' as the eucharist (ie. wedding breakfast) meal within their wedding garments.

That the consideration of any absence of morality is not a question of any one particular sexual act in relation to another. There is little to be obtained from such a consideration, other than a determination of a circumstantial merit, in the futile argument of there being any existence of a greater virtue (ie. the degree of perversity and depravity) which is bestowed by one sexualised act over that of being engaged within by another.

But the greater consideration as a moral culpability, is that all the acts of impropriety as an unbridled expression of hedonism as conveyed by the film, actually occurred against the thundering of war as the background noise--it's constancy and mundaneness rendered it virtually imperceptible to our sensibilities and therein was a cause for a sense of a distorted, disproportionate and contrived morality.

And this aspect of banality, in which they engaged as the basis of their social context (as we have since 2001 when the war against Islamic extremism was commenced) and their course of life, through which characteristic they insensibly indulged their sexual infatuation.
(eg: they explored the profound question as to whether an adolescent female's arse was in any way different to a male's arse--when it is all said and done as your intention is to f@ck them both over)

As their individual fetish proclivities, even though undertaken in an unconscionable, limitless and boundless manner--didn't distress me as the real instance of debauchery and perversity as an inhumane conduct.

But more importantly, it was the circumstantial reality, that the audience was as the voyeur, who merely by a passive participation were the one's guilty of it. As they possessed no conscience reality as to the understanding of any abysmal depth to their own perverse and depraved state as being.

Which had been bestowed upon them by the simple act of their giving acquiescence to the relinquishing of their "Autonomy of Will" through the mere passage of time as the equaliser of us all, to being so captivated by only viewing the movie.

How are you in your manner of living, as your liberty to express your sexual predilection as a determined course of life, any different in your social conduct--tell me about the dignity and virtue which you possess?

I can at least say, 'Well men, when you translate that difficult Latin phrase 'SEPER FI' into the English vernacular: "always faithful" or "always loyal"--there must needs be a duty to punctuate the expression with a 'fuck me'.

By this, as an immodest insertion to such a phrase as ode to exemplary conduct. It would not be rightfully considered an impunity, as diminishment and a belittling made against any sense of their faithfulness and loyalty wherever they want to put it--if I can be so crass.

Well may you say, "I'm keen to meet tonight."

However, it would be entirely delusional of you to conclude, that merely by such a desire as succinctly expressed by you through an economy of just "nine words" as the immaterial sexual want of yours. That it is then, manifestly the substantial cause as my impetus for the claim that you have departed from all sense of decency as decorum being a stable characteristic, in having lost a total semblance of rationality, as any connectivity with the temporal as sensibility and coherence of reality--manifestly an insanity as narcissist personality disordered. But then, I've fancifully engaged within a public rant of now some [one hundred and nine] pages.

You after all, are young and whimsical in being entirely driven as governed by a daemonic circumstantial desire as inclusive of your sexual appetite--it can no more make a justifiable claim of a substantial rationality, coherence and integrity of being because you are entirely unable to keep your intention, the
utterance of your words and any consequential action within concord as the ethereal quality and the affirmation of the legitimacy of existence, which separates the mind of a man from the impertinence, impudence and the inconsequential amorality of the boy as possessing a deficiency and having a questionable and an illegitimacy as only a pretentious claim to humanity--Such that, sex with you would be bestial and against nature.

In truth, I have paid little attention as any affection being a conscious and benevolent intent directed towards your proposition by means of a sissified self identity as intrinsically an unremarkable persona, which is incapable of possessing a transcendent and ethereal presence of existence as being.

Rather, I saw a greater opportunity to indulge my mindless infatuation as unrestrained sexual pursuit as sporting opportunism. By a deliberate courting of their affections through a guerrilla warfare tacit as hunt for quarry--softly softly, catchee monkey--in other words, 'Don't flurry; patience gains the day.'!

What I have in my favour is that from an analysis of Adolf Hitler's Table Talk there is a record of his extensively using Category of Understanding #231 upon 5 June 1942 which is also the issue {vis a vis: I Ching / Egyptian ANKH / Greco-Roman Magic Square associated to Roman Empire Governance} and the determinist characteristic as being causal for the religious impetus of psychological impunity made against the GLBTI Community.

Adolf Hitler does so in relation to the assassination of Reinhard Heydrich (7 March 1904 – 4 June 1942) who was a high-ranking German Nazi official during World War II, and a main architect of the Holocaust.

He was an SS-Obergruppenführer und General der Polizei (Senior Group Leader and General of Police) as well as chief of the Reich Main Security Office (including the Gestapo, Kripo, and SD). He was also Stellvertretender Reichsprotektor (Deputy/Acting Reich-Protector) of Bohemia and Moravia.

During dinner photographs were passed round, showing the Reich Youth Leader in the company of Youth Group Leaders, male and female, from Norway, Denmark, Holland, etc.

The Fuehrer expressed himself as follows:

It is an excellent thing that Axmann has been at the front as a soldier. The loss of an arm in battle will undoubtedly enhance his prestige with the youths, not only of Germany, but also of the other countries. I am very pleased, too, to welcome Axmann's efforts, and to see how he strives continuously to *BIND* {ie. 6 x #41 = #246 of INTELLECTUS AS GENITIVE VOLUNTATUS / ANGEL GABRIEL AND BINDING NORM (NORMA OBLIGANS)} the youth of the German lands with ever closer *BONDS* {ie. 7 x #41 = #287 of INTELLECTUS AS GENITIVE VOLUNTATUS AND MANIFESTING NORM (NORMA DENUNTIANIS)}

Israeli media yesterday [22 February 2018] also said of the Islamic Grand Mufti Mohammed Amin al-Husseini as a Palestinian Arab nationalist, that he had earlier met with Adolf Hitler who at their meeting on 28 November, 1941 promised the “total destruction” of the Jews. And then the next day, 29 November, Heydrich sent out the invitations to the Wannsee Conference where the Final Solution was said to have been officially formulated and implemented.

And thus this Israeli news media statement: "THE GENOCIDAL NAZI PLAN TO MASS-MURDER JEWS IS INEXTRICABLY INTERTWINED WITH THE GENOCIDAL PALESTINIAN PLAN TO MASS-MURDER JEWS."

I would also equate this with a dichotomy existing between Roman Catholicism as Vatican City State and Empire Governance associated to the Pythagorean binomial HETEROS THEORY OF NUMBER as the incontrovertible clarity given of HITLER’S TABLE TALK:

THE BOOK THAT CONTAINS THE REFLECTIONS OF THE EMPEROR JULIAN SHOULD BE CIRCULATED IN MILLIONS. WHAT WONDERFUL INTELLIGENCE, WHAT DISCERNMENT, ALL THE WISDOM OF ANTIQUITY!

ACCORDING TO WIKIPEDIA: Julian (Latin: Flavius Claudius Iulianus Augustus[a]; Greek: Φλάβιος Κλαύδιος Ιουλιανός Αὐγουστος; 331/332 – 26 June 363), also known as Julian the Apostate, was Roman Emperor from 361 to 363, as well as a notable philosopher and author in Greek.

A member of the Constantinian dynasty, Julian became Caesar over the western provinces by order of Constantius II in 355, and in this role he campaigned successfully against the Alamanni and Franks. Most notable was his crushing victory over the Alamanni at the Battle of Argentoratum (Strasbourg) in 357, leading his 13,000 men against a Germanic army three times larger.

Julian was a man of unusually complex character: he was "the military commander, the theosophist, the social reformer, and the man of letters". *HE* *WAS* *THE* *LAST* *NON*-CHRISTIAN* *RULER* *OF* THE* *ROMAN* *EMPIRE*, *AND* *HE* *BELIEVED* *THAT* *IT* WAS* NECESSARY* *TO* RESTORE* THE* EMPIRE'S* ANCIENT* *VALUES* *AND* TRADITIONS* *IN* ORDER* *TO* SAVE* IT* FROM* DISSOLUTION*. [Athanassiadi, 'Julian and Hellenism', p. 88]

He purged the top-heavy state bureaucracy, and attempted to revive traditional Roman religious practices at the expense of Christianity. Julian also forbade the Christians from teaching classical texts and learning. His rejection of the Christianity imposed on him in his youth, and his PROMOTION* OF* NEOPLATONIC* HELLENISM* {ie. Pythagorean binomial theory of number} in its place caused him to be remembered as Julian the Apostle by the church. [<https://en.wikipedia.org/wiki/Julian_(emperor)>]

Thus the consideration is what then is the GNOMIC IMPERATIVE instruction set which is applied by the understanding of the enigmatic depiction of husband /
wife prostrate before Osiris as #34 - JUPITER conveyed by this scene from the Egyptian Book of the Dead:

![Image](http://www.grapple369.com/images/weddingblues.jpg)

**[IMAGE]** When one can define both the origin of #NUMBER and LETTERS where then does that leave your Pythagorean TERNIO (#INR) Babylonian whoredom as Christ murderous / God Almighty blasphemy and fascist piety?

There is therefore, not any intelligent sound you can utter.]

And how this might apply to an interpretation given to determinism of the Egyptian ANKH (shown above).

There are several possibilities which can be readily cognised:

a) The + is understood as CANONICAL {ie. act of Nature} involving from top to bottom, left to right the the notion of COSMIC constituency:

- **#NINE** {#231 / #693}
- **#ONE** {#99 / #297}
- **#SEVEN** {#117 / #351}
- **#THREE** {#105 / #315}
- **#FIVE** {#111 / #333}

b) It is understood in terms of ARCH KAI TELOS OIDA: {1 (#5) + 2 (#12) + 3 (#15) + 4 (#40) = 10 (#72)} as a logical proposition applied to the esoteric number as the total sum:

\[
#45 + #136 + #325 + #666
\]
In any event we are able to cognise the CATEGORIES OF UNDERSTANDING for each intellectual concept.

41  1 57
49 33 17
\[9 65 25 = \#99 / \#297 \{\text{#ONE}\} + \]

42  2 58
50 34 18
\[10 66 26 = \#102 / \#306 \{\text{#TWO}\} + \]

43  3 59
51 35 19
\[11 67 27 = \#105 / \#315 \{\text{#THREE}\} + \]

44  4 60
52 36 20
\[12 68 28 = \#108 / \#324 \{\text{#FOUR}\} = \]

74 81 76
79 77 75
\[78 73 80 = \#231 - \#108 = \#123 / \#693 - \#369 = \#324 \{\text{#TEN}\} \]

RETURN TO GRECO-ROMAN MAGIC SQUARE BEING ITSELF

THUSLY:

**VIRTUE as MIND:** \{1 + 2 = \#3\} +

**TOOLS as SCIENCE:** \{3 + 4 = \#7\} +

**POSITION as OPINION:** \{5 + 6 = \#11\} +

**TIME as SENSE:** \{7 + 8 = \#15\}

= \#36 (ie. H27 - Realm of its Nature as Heaven - Formula of Universal Law + H9 - System's Cosmology as Earth - Formula of Humanity) \#111 / \#666 Magic Sum as logical \#CENTRE / \#FIVE:

45  5 61
53 37 21
\[13 69 29 = \#111 / \#333 \{\text{#FIVE}\} \]

c) Whether it follows the sequence methodology popularised by the later Pythagorean magic square sum redaction [1-5-6-7-2-3-4-8-9] as a total which is computed by the equation: \( n(n^2+1)/2 \)
d) Or whether there is implied only a plain reading of the ANKH sequence which then corresponds to linear progression of Magic Squares / Platonic solids as the binomial / centrist notion given to an understanding as STOICHEION OF THE KOSMOS:

\[(1 \ldots 2 \ldots) 3 (\#15 \text{ CE}) \ldots 4 (\#34 \text{ CE}) \ldots 5 (\#65 \text{ CE}) \ldots 6 (\#111 \text{ CE}) \ldots 7 (\#175 \text{ CE}) \ldots 8 (\#260 \text{ CE}) \ldots 9 (\#369 \text{ CE})\]

“[Concerning these] mysteries of sin (...) but they did not know the secret of the way things are nor did they understand the things of old and they did not know what would come upon them, so they did not rescue themselves without the secret of the way things are.
This shall be the sign that this shall come to pass: when the sources of evil are shut up and wickedness is banished in the presence of righteousness, as darkness in the presence of light, or as smoke vanishes and is no more, in the same way wickedness will vanish forever and righteousness will be manifest like the sun. The world will be made firm and all the adherents of the secrets of sin shall be no more. True knowledge shall fill the world and there will never be any more folly.

This is all ready to happen, it is a true oracle, and by this it shall be known to you that it cannot be averted.

It is true that all the peoples reject evil, yet it advances in all of them. It is true that truth is esteemed in the utterances of all the nations - yet is there any tongue or language that grasp it? What nation wants to be oppressed by another that is stronger? Or who wants his money to be stolen by a wicked man? Yet what nation is there that has not oppressed its neighbor? Where is the people that has not robbed the wealth of another ...” [1Q27 / 1QMysteries / 4Q299 - 301]

If it’s not maleficence then it’s otherwise defeasance as both are illegal acts which is the characteristic of your profligate indolent life in breaching human rights conventions against the dignity of the person.

But if these also contributed to a transactional information / knowledge as a sapient Artificial Intelligence driven economy which has its viability established
upon the entelechy driver itself by the intra / inter exercise of an unencumbered will in the INTELLECTUS AS GENITIVE VOLUNTÄTUS.

You are not talking about a deficiency {ie. I do not confuse issues of knowledge pragmatics with a reliance upon specific insight as a dependent regard for the sapient expertise of others} run economy but something altogether viably different and sustainable.

Not to overstate then the economic opportunity in that you could pay a transaction fee for each of those information / knowledge as sapient services...

Imagine then, if some one billion persons performed such core revenue inducing tasks at a cost of $1 per day for every day of the year as then proportionally shared between sovereign states rather than any individual or corporation—the STATE after all is the provider of this ratiocination architecture which fully conforms by Letters Patent to the COMMONWEALTH's entirety of legislative framework and the Corporations would by impetus of innovation, then competitively deploy it accordingly.

Suddenly the National Health Service is vibrant again—oh yes that if the Egyptian ANKH has the meaning of “life / breath of life / eternal life” what then do you think it might mean to be already as demonstrated, intrinsically part of my inner human cognitive biological function()?

My primary goal at this stage is to sketch (ie. broadly a conceptual engineering) the prerequisite functionality of the prototype so as to determine the viability of my hypothetical proposition which does not mean that I will always scope the optimal nuanced semantical constructs.
