The ANTHROPIC [COSMOLOGICAL] PRINCIPLE is a philosophical consideration that observations of the Universe must be compatible with the conscious and sapient life that observes it. Some proponents of the anthropic principle reason that it explains why this universe has the age and the fundamental physical constants necessary to accommodate conscious life. As a result, they believe it is unremarkable that this universe has fundamental constants that happen to fall within the narrow range thought to be compatible with life.

The strong anthropic principle (SAP) as explained by John D. Barrow and Frank Tipler states that this is all the case because the universe is in some sense compelled to eventually have conscious and sapient life emerge within it. Some critics of the SAP argue in favour of a weak anthropic principle (WAP) similar to the one defined by Brandon Carter, which states that the universe's ostensible fine tuning is the result of selection bias (specifically survivor bias): ie. only in a universe capable of eventually supporting life will there be living beings capable of observing and reflecting upon fine tuning.

Most often such arguments draw upon some notion of the multiverse for there to be a statistical population of universes to select from and from which selection bias (our observance of only this universe, compatible with our life) could occur.
That the Dutch have since their discovery on 26 October 1616 a Sovereign 400 year history within Australia of pleasant existence as oneness with nature which neither mars by litter drops, nor has never resorted to the butchering as slaughter of the indigenous people nor the stealing of their children so as to impede their Autonomy of Will as a Sovereign Principle.
Dirk Hartog was the first confirmed European to see Western Australia, reaching it in his ship, the Eendracht. On 26 October 1616, he landed at Cape Inscription on the very northernmost tip of the island. Before departing, Hartog left behind a pewter dinner plate, nailed to a post and placed upright in a fissure on the cliff top.

Captain James Cook wrote in a journal on 22 August 1770 of his discovery as the east coast of Australia: "[Since I] may land no more upon this eastern coast of New Holland, and on the western side I can make no new discovery the honour of which belongs to the Dutch navigators and as such they may lay claim to it as their property."

Earlier I raised the notion that for Hegel (27/8/1770 to 14/11/1831 CE) world history is represented by the manner in which the Spirit develops gradually into its purest form, ultimately recognizing its own essential freedom. To Hegel, 'world history is thus the unfolding of Spirit in time, as nature is the unfolding of the Idea in space.' The dialectical process thus virtually defines the meaning of history for Hegel: "the idea of freedom as the absolute and final aim; secondly, the means for realizing it, i.e. the subjective side of knowledge and will, with its life, movement, and activity. We then recognized the State as the moral Whole and the Reality of Freedom, and consequently as the objective of these two elements. For although we make this distinction into two aspects for our consideration,
it must be remarked that they are intimately connected; and that their connection is involved in the idea of each when examined separately. We have, on the one hand, recognized the Idea in the definite form of Freedom conscious of and willing itself—having itself alone as its object: involving at the same time, the pure and simple Idea of Reason, and likewise, that which we have called subject—self-consciousness—Spirit actually existing in the World.

If, on the other hand, we consider Subjectivity, we find that subjective knowledge and will is Thought. But by the very act of thoughtful cognition and volition, I will the universal object—the substance of absolute Reason. We observe, therefore, an essential union between the objective side—the Idea—and the subjective side—the personality that conceives and wills it—The objective existence of this union is the State, which is therefore the basis and centre of the other concrete elements of the life of the people—Art, of Law, of Morals, of Religion, of Science. All the activity of Spirit has only this object—the becoming conscious of this union, i.e. of its own Freedom. Among the forms of this conscious union 'Religion' occupies the highest position. In it, Spirit—rising above the limits of temporal and secular existence—becomes conscious of the Absolute Spirit, and in this consciousness of the self-existent Being, renounces individual interest; it lays this aside in Devotion—a state of mind in which it refuses to occupy itself any longer with the limited and particular." [Georg Hegel (1770-1841 CE), 'Introduction – The Philosophy of History', ISBN 0-87975-631-4, p 48-49]

There exists upon this point, a religious/political contention as dichotomy over a Divine mandate for good governance as I have conveyed of the usurping Sovereign/Marriage dynamic associated with the Pythagorean HETEROS THEORY OF NUMBER, which is in part due to the historical reality. That the Vatican City as an entity of Religious/Political State was only re-established in 1929 CE by Benito Mussolini under the Lateran Pact. At the time of the enactment of our Australian Constitution of 1901, it ought to be remembered that the Roman Catholic Church was then the enemy of democracies. The religious/political state is an anathema to and a denier of human, religious and Constitutional Rights established upon a HOMOIOS THEORY OF NUMBER, which bestow autonomous sovereignty and individual accountability in recognition of an AUTONOMY OF WILL:

"[A folly] which we meet with in our time, is that of pretending to invent and carry out political Constitutions independently of religion. The Catholic confession, although sharing the Christian name with the Protestant, does not concede to the State an inherent Justice and Morality—a concession which in the Protestant principle is fundamental. ([v])

An example of the Australian Government pretending, as Hegel suggests "to invent and carry out political Constitutions independently of religion"
is represented in the dichotomy that the Church of England Act No. 45/1854 was an Act to enable the Bishops, Clergy and Laity of the United Church of England and Ireland in Victoria to provide for the regulation of the affairs of the said Church.

This tearing away of the political morality of the Constitution from its natural connection, is necessary to the genius of that religion, inasmuch as it does not recognize Justice and Morality as independent and substantial—But thus excluded from intrinsic worth, torn away from their last refuge, the sanctuary of conscience, the calm retreat where religion has its abode, the principles and institutions of political legislation ARE DESTITUTE OF A REAL *CENTRE*, TO THE SAME *DEGREE* AS THEY ARE *COMPELLED* *TO* *REMAIN* *ABSTRACT* *AND* INDEFINITE." [Georg Hegel (1770-1841 CE), 'Introduction – The Philosophy of History', p 52]

VOX IN EXCELSO was the name of a Papal Bull issued by Pope Clement V in 1312. The directives given within the Bull were to formally dissolve the Order of the Knights Templar, effectively removing Papal support for them and revoking the mandates given to them by previous popes in the 12th and 13th centuries.

"In view of the suspicion, infamy, loud insinuations and other things which have been brought against the other... and also the secret and clandestine reception of the brother of this Order; in view, moreover, of the serious scandal which has arisen from these things, which it did not seem could be stopped while the Order remained in being, and the danger to faith and souls, and the many horrible things which have been done by the very many of the brothers of this Order, who have lapsed into the sin of wicked apostasy, the crime of detestable idolatry, and the execrable outrage of the *Sodomites*... it is not without bitterness and sadness of heart that we abolish the aforesaid Order of the Temple, and its constitution, habit and name, by an irrevocable and perpetually valid decree; and we subject it to perpetual prohibition with the approval of the Holy Council, strictly forbidding anyone to presume to enter the said Order in the future, or to receive or wear its habit, or to act as a Templar." [<https://en.wikipedia.org/wiki/Vox_in_excelso>]

The Poor Fellow-Soldiers of Christ and of the Temple of Solomon (Latin: Pauperes commilitones Christi Templique Salomonici), also known as the Order of Solomon's Temple, the Knights Templar, or simply as Templars, was a Catholic military order recognised in 1139 by papal bull Omne Datum Optimum (Latin for "Every perfect gift", a quotation from the Epistle of James 1:17) of the Holy See. The Order was founded in 1119 and active from about 1129 to 1312. [https://en.wikipedia.org/wiki/Knights_Templar]

"For the sun is no sooner risen with a burning heat, but it withereth the
grass, and the flower thereof falleth, and the grace of the fashion of it perisheth: so also shall the rich man fade away in his ways.

Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him.

Let no man say when he is tempted, I am tempted of God: for God cannot be tempted with evil, neither tempteth he any man:

But every man is tempted, when he is drawn away of his own lust, and enticed. Then when lust hath conceived, it bringeth forth sin: and sin, when it is finished, bringeth forth death. Do not err, my beloved brethren.

Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning.

Of his own will begat he us with the word of truth, that we should be a kind of firstfruits of his creatures. Wherefore, my beloved brethren, let every man be swift to hear, slow to speak, slow to wrath: For the wrath of man worketh not the righteousness of God. Wherefore lay apart all filthiness and superfluity of naughtiness, and receive with meekness the engrafted word, which is able to save your souls.

But be ye doers of the word, and not hearers only, deceiving your own selves.

For if any be a hearer of the word, and not a doer, he is like unto a man beholding his natural face in a glass:

For he beholdeth himself, and goeth his way, and straightway forgetteth what manner of man he was.

But whoso looketh into the perfect law of liberty, and continueth therein, he being not a forgetful hearer, but a doer of the work, this man shall be blessed in his deed.

If any man among you seem to be religious, and bridleth not his tongue, but deceiveth his own heart, this man’s religion is vain.

Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction, and to keep himself unspotted from the world." [James 1:11-27 (KJV)]

The papal bull Omne Datum Optimum issued by Pope Innocent II in 1139 that initially endorsed the Order of the Poor Knights of Christ and of the
Temple of Solomon (Knights Templar), in which the Templar Rule was officially approved, and papal protection given. Additionally, Omne Datum Optimum promised all spoils from Muslim conquest to the Order, and made the Order exempt from tithes and taxes:

"As for the things that you will receive from the spoils, you can confidently put them to your own use, and we prohibit that you be coerced against your will to give anyone a portion of these."

Although Omne Datum Optimum was an unusual bull in and of itself, it was followed by Pope Celestine II's Milites Templi in 1144 and Pope Eugene III's Militia Dei in 1145, which together gave the Templars an extraordinary range of rights and privileges. Among other things, the Order was permitted to build its own churches, bury their dead on those church grounds and collect taxes on Templar properties once a year. The unique cemeteries constructed by the Templars proved to be extremely controversial. [https://en.wikipedia.org/wiki/Omne_Datum_Optimum]

Given this clear evidence to the contrary of Mr Peter Riddell’s submission made to the VCAT Extra-ordinary hearing of 7 December, 2001 in the mischievous and wrongful misrepresentation of my two telephone calls as the basis of a false report to police and perjured evidence. The following is a transcript (which may contain transcription and conceptual errors due to reduced audibility) dated 11 February 2004 obtained from tapes provided by the Victoria Civil & Administrative Tribunal (anti-discrimination list) as proceedings of 0936 hours 7 December 2001 before Deputy President Ms. Cate McKenzie presiding over A500 of 2000 in matter of Australian Casualty & Life (AXA Global Group Insurance) and Mark Capecchi. The proceedings were conducted by telephone hook-up.

THE D.PRESIDENT: Telephone?

Thank you. Mr Riddell, you are appearing by

MR RIDDELL: Yes, madam, I appear by way of telephone. I also have Shannon Lindner with me who is a solicitor in the actual legal group.

THE D.PRESIDENT: Very well now, this directions hearing has been called on as a result of a letter which has been sent by the respondents to the Tribunal. The best way I can summarise, in effect, what that letter raised were concerns about certain conduct of Mr Boek which, as I understand it, has been the subject of a report to police. The reason why the Tribunal deals with these matters initially at least, unless there is some exceptional circumstance that would warrant otherwise by bringing on a directions hearing, is so that the Tribunal can, if necessary, receive evidence of what the relevant matter is and then determine how best to deal with it.

In this case, and in fact every case where a directions hearing is held, if there is a request made by a party to appear by telephone the Tribunal is very happy to accommodate that request and that is in fact what has happened today. Now, I might get you, Mr Riddell, to explain what aspects of Mr Boek's conduct have concerned the respondents and, of course, I will give you a chance to reply, Mr Boek, after Mr Riddell has finished. Very well, Mr Riddell.

MR RIDDELL: Thank you, madam. On 30 November in the morning I received a telephone call from Mr Boek, a threatening telephone call,
advising that he had left a number of messages for me. I then accessed those messages on my voice mail and was quite threatened by the content of those messages and I had grave concerns for my safety and the safety of my family. I, that morning, contacted the Victoria Police and reported the matter and they viewed the matter most seriously. They suggested that I not present myself in the presence of Mr Boek, which is why I am presenting myself by way of telephone today.

**THE D.PRESIDENT:** Yes, and as I say, there is no difficulty about that. Yes?

**MR RIDDELL:** Two messages. I have forwarded to the Tribunal a transcript of those

**THE D.PRESIDENT:** Have you a recording of them?

**MR RIDDELL:** I do and I would like to play that for the Tribunal.

**THE D.PRESIDENT:** Certainly. May I just, before you do, get my associate to take an affirmation from you because given the seriousness of the matter it ought to be on evidence.
MR PETER ANTHONY RIDDELL, affirmed [9.36am]

THE D.PRESIDENT: Recording. Thank you. Now, if you would play the tape.

MR RIDDELL: If it is not clear please let me know and I will adjust the volume.

THE D.PRESIDENT: Certainly.
TELEPHONE MESSAGE ONE: "Mr Riddell, this is Dolf Boek [calling]. I'm just wondering whether you've been self congratulatory about my previous submissions to the court and have failed to recognise their transcendent logic built on time. They are religious model that co-ordinates or synchronises over 6000 years to the 9 September of this year. That means [when this year expires,] my court case will be a matter of an accusation of fascism against yourself at the company from which I will not cease until I have your soul.

You may return this message if you like, [number omitted]. You have until the end of this year and then I would never again turn my hand against the action that I am going to take. Meaning? I will conclude when one of us going to the grave."

TELEPHONE MESSAGE TWO: "Mr Riddell, Dolf Boek. You do realise that if you are not prepared to come clean with your justifications of your past treatment of me that as of the new year we will not be having another contract because I will not be co-operating with you further and we will are more likely to go to court at some stage. At some stage you are going to have to recognise the fact that you are a blasphemer. Your religious context has no continuing validity and since I am able to rationally prove that with a mathematical model..... you are going to understand how forceful and hard metaphysics is."

MR RIDDELL: That concludes the two voice mail messages.

...

MR RIDDELL: - - - submission that Mr Boek has conducted himself in such a way that he shows he has no intention of according to the rules of the court. He has indicated quite clearly that his court case will now be a matter of fascism against myself and AXA and in those circumstances a false claim is frivolous and vexatious and should be struck out forthwith.

THE D.PRESIDENT: Boek. Mr Boek? Very well, all right. Now, I will hear from Mr

MR BOEK: Yes, ma'am, I have - you would have noticed that there were no actual words of threat. They were words that were based on fact in that particular phone call. Here I have a particular mathematical model which is mentioned in that particular phone call. It is based upon a work by Johann Kepler, a German astronomer born in 1571 to 1630. He came up with three rules of which I have come up with a fourth [associated to the ephemeral and mundane as a transcendent fecundite connection to
the Vernal and the Autumn Equinox in the 6th year of the 22nd Course of Gamul: 7 x 24 x 13 x 49 = 6J or 294 x 364 days or 365.2423 x 293 years - Vernal Equinox Wednesday 20 March 1996 / 21 March].

His three rules in terms of astronomical cycles were: (1) that the planet... And then I will get to my bit of relevance to the 6000 years.

THE D.PRESIDENT: Yes, yes, yes.

MR BOEK: (1) That the planets move in elliptical orbits around the sun which is situated at one of the focus of the ellipses; (2) that the radius vectors joining each planet to the sun describes equal areas in equal times; (3) that the ratio of the square of the planet's year to the cube of the planet's mean distance from the sun is the same for each planet.

Now, what I am suggesting is that the 6000 year cycle fits a mathematical model on logic and reason called Telos equals Arch plus C-squared:

Telos \[122J3W1D\] = Arch \[3W1D\] + c² \[9(9²+1)/2\]

That has been my particular field of study as my retirement activity. A religious pursuit which is, how can I say, an area of contemplative life. The best model that can currently be exhibited with regards to this particular thesis is nothing more than Harry Potter and the Philosopher Stone. I raise that as a particular point because the poetry that is used in...

MR RIDDELL: Madam, could I object?

... 

MR RIDDELL: I am not sure that the intention is entirely relevant. It is the manner in which I reasonably interpreted those phone messages. There is a transcript before the court. I was threatened. Mr Boek, by his conduct today and in the past, on any objective view appears to be unstable. I think it is inappropriate that this matter be continued.

Peter Riddell on January 2013 published this perspective:

TITLE: "The Illegality Defence: Has your insured been misbehaving?"

Insurers and superannuation fund trustees assessing life and disability claims may have cause to consider an insured's unlawful conduct and whether grounds arise to decline a claim on the basis of the illegality defence. There are a number of aspects to the illegality defence. This paper reviews the impact of public policy on claims for indemnity arising
out of unlawful conduct on the part of insureds.

WHO DOES THIS IMPACT?
Insurers and superannuation fund trustees assessing disability insurance claims.

WHAT ACTION SHOULD BE TAKEN?
Unlawful conduct by an insured may allow an insurer to deny liability for an insurance claim on the grounds that it would be against public policy to allow an insured to receive a benefit under the policy.

As the application of public policy often involves making difficult value judgments, each case will depend upon its own particular circumstances. As such, you may first wish to seek advice as to what action to take having regard to the facts of your particular claim.

ILLEGALITY AND PUBLIC POLICY
It is well established that a claim that arises out of a loss caused directly in the commission of a felony or similarly serious criminal offence by an insured can be denied on the ground that to pay the claim would be contrary to public policy. This is based on the principle that no person should benefit from their crime or wrongdoing ("the public policy principle").

**ROME, ITALY, SEPTEMBER 1, 2017 (LIFESITENEWS):** "Cardinal Robert Sarah's answer in Thursday's Wall Street Journal to Jesuit Father James Martin's ongoing public push for more Church acceptance of homosexuality attracted praise and critique.

Depending on the source of the response, the cardinal's message is either a misrepresentation of the high-profile Jesuit's book calling for more Church openness to LGBT-identifying persons, or it's an example of courage, charity and clarity on the Church's teaching in the area of sexuality.

The Guinean cardinal's op-ed includes the crucial fact that many have pointed out is absent in Father Martin's book — that true Catholic ministry to homosexuals only occurs by way of the Catholic Church's moral teaching.
"To love someone as Christ loves us mean to love that person in the truth," Cardinal Sarah wrote.

The prefect of the Congregation for Divine Worship and the Discipline of the Sacraments also made another important point in his WSJ commentary with regard to the unchangeable nature of Church teaching and those who minister in Her name.

"Those who speak on behalf of the Church must be faithful to the unchanging teachings of Christ," the cardinal said, "because only through living in harmony with God's creative design do people find deep and lasting fulfillment."

LGBT-identifying individuals are "are always good because they are children of God," Cardinal Sarah also said, but of homosexuality he wrote it is "at odds with human nature." Homosexual acts are "gravely sinful and harmful to the well-being of those who partake in them."

"People who identify as members of the LGBT community are owed this truth in charity," he said, "especially from clergy who speak on behalf of the Church about this complex and difficult topic."

Martin was made a consultor to the Vatican's Secretariat for Communications in April. In June, he released the book Building a Bridge: How the Catholic Church and the LGBT Community Can Enter into a Relationship of Respect, Compassion, and Sensitivity.

The book has received acclaim from liberal Catholics and the media, and it also had notable endorsements from newly appointed U.S. Cardinals Kevin Farrell and Joseph Tobin, along with San Diego Bishop Robert McElroy.

Father Martin's public advocacy for LGBT issues predates his latest book release and his Vatican appointment, but it has become more pervasive since then.

He has been criticized for leaving the Church's teaching on sexuality out of his advocacy of LGBT issues.

Cardinal Sarah agreed with Father Martin's contention that there should not be a double standard for heterosexual and homosexual sexual sins.

But he also said it's contrary to Christ's "wisdom and goodness" to require something that cannot be achieved. Chastity is possible and a source of freedom, he said, with God's grace and people's perseverance.

"We do not need to look far to see the sad consequences of the rejection
of God's plan for human intimacy and love," Cardinal Sarah wrote. "The sexual liberation the world promotes does not deliver its promise."

"Rather, promiscuity is the cause of so much needless suffering, of broken hearts, of loneliness, and of treatment of others as means for sexual gratification." As a mother, the Church seeks to protect her children from the harm of sin, as an expression of her pastoral charity."

Father Martin responded to Cardinal Sarah’s WSJ commentary in America Magazine, for which he is editor-at large.

While he called the cardinal's column a step forward in dialogue, he said Cardinal Sarah "misses a few important points," including a failure to acknowledge "the immense suffering that L.G.B.T. Catholics have felt at the hands of their church."

Father Martin urged the cardinal to consider why the church's teaching on homosexuality has been widely rejected by L.G.B.T. Catholics and their families.

And he rejected the assertion that he was a critic of the Church's message in regard to sexuality.

"Cardinal Sarah's op-ed inaccurately states that my book is critical of church teaching, which it is not," Father Martin said. "Nor am I."

Father Martin told Crux of the op-ed, "I would like to have heard something about the sad consequences of what happens when LGBT people are made to feel like second-class citizens, or worse, by clergy and members of the hierarchy."

Papal biographer Austen Ivereigh tweeted about the op-ed, calling it "severely misrepresenting." Ivereigh penned the controversial Crux column last month inferring that critics of Pope Francis who were Catholics may have been suffering from some sort of neurosis.

Commonweal contributing editor Massimo Faggioli found it "remarkable" that Cardinal Sarah "chose the WSJ to attack" the book endorsed by two other cardinals.

Faggioli also said he believes Cardinal Sarah "misrepresents" the book, "which in no way contradicts the teaching of the Catholic Church," and the op-ed "ignores the need to listen to the experience of faithful LGBT Catholics who have not "received" church's teaching."

Maggie Gallagher, author and co-founder of the National Organization for Marriage, posted on Facebook how "Within hours, Father James Martin
responds to Cardinal Sarah's WSJ critique of his message.

Sharing Father Martin's America Magazine response on her page, Gallagher quoted him urging Cardinal Sarah to consider why LGBT-identifying Catholics reject the church's teaching on homosexuality, and the Jesuit saying, 'The only way that the church will be able to answer that question is by listening to them, which is part of the bridge building I am calling for in my book,'

Gallagher stated in reply, "The problem of course is that Father Martin appears to want to engage in listening to monologue. He doesn't seem to want the Faith to speak back."

Patrick Coffin, Catholic media apologist and former Catholic Answers host, expressed gratitude to Cardinal Sarah for his message on the cardinal's Twitter feed.

@Card_R_Sarah If you only knew how many Catholics are grateful to God for your clarity, courage, and priestly witness," Coffin tweeted. "THANKS!"

Father Gerald Murray wrote his own column in the National Catholic Register on Cardinal Sarah's op-ed, also affirming the Church's moral teaching on sexuality.

"Cardinal Robert Sarah speaks with courage and charity about the Catholic Church's pastoral care of persons who experience homosexual attraction in his column," Father Murray wrote.

"The truth about homosexual inclination and homosexual activity is that they are not in accord with God's created order, his plan for mankind," he continued. "A desire to commit acts of sodomy is a bad desire that should be resisted because those acts are gravely disordered misuses of the sexual faculty."

Father Murray, pastor of Holy Family Church in New York and regular guest on EWTN's" The World Over," said the accusation that the Church is cruel and un-Christlike in teaching that the homosexual inclination is an objective disorder is "regrettable."

It's not surprising coming from those who do not embrace Catholic truth on sexuality, Father Murray said, but, "That such a group includes Catholic priests such as Father Martin is a scandal."

"The faithful can be easily misled when prominent priests claim that their opinions on this or that doctrinal matter are correct and that the Church's teaching must change," he stated. "Cardinal Sarah's column today is a most welcome response to this misleading line of thought. The truth of
Christ taught by his Church on human sexuality has not changed, and cannot change. Leading people to believe otherwise is a serious error.

This assessment was echoed in The Stream by Joseph Sciambra, a Catholic who ministers to homosexuals and who himself has left the homosexual lifestyle.

"It's a hopeful sign that some members of the Church hierarchy have heard the cry of the faithful," he continued. "To be specific: Of those who live with same-sex attraction, who sought compassion, coherence, and truth in the Catholic Church. Too often we found only confusion and tacit or outright approval of homosexual acts as well as "gay marriage."

Sciambra's column was titled "The Church and Cardinal Sarah Love Gay People Enough Not to Lie to Us."

DANNY BOYLE AND HAYLEY DIXON (TELEGRAPH.CO.UK) @ 2123 HOURS (AEST) ON 5 SEPTEMBER 2017: "BRITISH SOLDIERS ARRESTED BY TERROR POLICE FOR ALLEGEDLY BEING MEMBERS OF BANNED NEO-NAZI GROUP:

Serving British soldiers are among four alleged members of National Action, the banned neo-Nazi group, arrested on suspicion of preparing acts of terrorism.

The men - a 22-year-old from Birmingham, a 32-year-old from Powys, a 24-year-old from Ipswich and a 24-year-old from Northampton - were held on Tuesday.

The Ministry of Defence confirmed that 'a number of serving members of the Army have been arrested under the Terrorism Act'.

West Midlands Police said the four men have been arrested on suspicion of terrorism offences.

A spokesman said they 'have been arrested on suspicion of being concerned in the commission, preparation and instigation of acts of terrorism under Section 41 of the Terrorism Act 2000; namely on suspicion of being a member of a proscribed organisation (National Action) contrary to Section 11 of the Terrorism Act'.

- <https://drive.google.com/open?id=0BzRmc7Bm7indb2k0Nm5aNS1DakU>
All four men are being held at a police station in the West Midlands.

The arrests were carried out by police in conjunction with counter-terror units from the West Midlands, Wales and the East Midlands.

Several properties are being searched in connection with the arrests.

A police spokesman added: 'The arrests were pre-planned and intelligence-led; there was no threat to the public’s safety.'

An Army spokesman said: 'We can confirm that a number of serving members of the Army have been arrested under the Terrorism Act for being associated with a proscribed far right group.

'These arrests are the consequence of a Home Office Police Force led operation supported by the Army. This is now the subject of a civilian police investigation and it would be inappropriate to comment further.'

What is National Action?

National Action became first extreme right-wing group to be banned under terrorism laws in December 2016.

The proscription meant that being a member of or inviting support for the organisation is a criminal offence carrying a sentence of up to ten years' imprisonment.

An entry for National Action in the official list of proscribed groups says it is a 'racist neo-Nazi group' that was established in 2013 and has branches across the UK which 'conduct provocative street demonstrations and stunts aimed at intimidating local communities.

As Home Secretary, I am clear that the safety and security of our families, communities and country comes first.

So today I am taking action to proscribe the neo-Nazi group National Action.

This will mean that being a member of, or inviting support for, this organisation will be a criminal offence.

National Action is a racist, anti-Semitic and homophobic organisation which stirs up hatred, glorifies violence and promotes a vile ideology, and I will not stand for it.

It has absolutely no place in a Britain that works for everyone.'
How National Action endorsed the murder of Labour MP Jo Cox

After the murder of Labour MP Jo Cox in June 2016, National Action endorsed her killing.

The group posted a message, which read: 'Our thoughts go out to Thomas Mair #Britain-First #JoCoxMP' and, 'Don't let this man's sacrifice go in vain. #JoCox would have filled Yorkshire with more subhumans.'

Thomas Mair was jailed for life after being found guilty of murdering the politician.

The phrase "Death to traitors, freedom for Britain", which was said by Mair in court, appears alongside the listing for National Action's website on Google.

In the wake of Mair's conviction, warnings emerged that the terror threat from the extreme Right could be growing.

Ahmed Osman - Christianity - An Ancient Egyptian Religion (egyptian
roots of islam, judaism and christianity) (2005)

This tome irrefutably trounces all the nonsen[s]e spouted by the Biblical
scribblers, and shows how Judiasm & Xtianity are based on the
teachings of Akhenaten..............and:

- Shows that the Romans fabricated their own version of Christianity and
burned the Alexandrian library as a way of maintaining political power

- Builds on the arguments of the author's previous books The Hebrew
Pharaohs of Egypt, Moses and Akhenaten, and Jesus in the House of the
Pharaohs

In Christianity: An Ancient Egyptian Religion author Ahmed Osman
contends that the roots of Christian belief spring not from Judaea but
from Egypt. He compares the chronology of the Old Testament and its factual content with ancient Egyptian records to show that the major characters of the Hebrew scriptures—including Solomon, David, Moses, and Joshua—are based on Egyptian historical figures. He further suggests that not only were these personalities and the stories associated with them cultivated on the banks of the Nile, but the major tenets of Christian belief—the One God, the Trinity, the hierarchy of heaven, life after death, and the virgin birth—are all Egyptian in origin. He likewise provides a convincing argument that Jesus himself came out of Egypt.

With the help of modern archaeological findings, Osman shows that Christianity survived as an Egyptian mystery cult until the fourth century A.D., when the Romans embarked on a mission of suppression and persecution. In A.D. 391 the Roman-appointed Bishop Theophilus led a mob into the Serapeum quarter of Alexandria and burned the Alexandrian library, destroying all records of the true Egyptian roots of Christianity. The Romans' version of Christianity, manufactured to maintain political power, claimed that Christianity originated in Judaea. In Christianity:

And by inference how Moses was a bandit who invaded the Levant, conjured up yaweh from Re the Egyptian sun God, slaughtered all the indigenous inhabitants, stole all the wealth and the rest is history... and mystery.

With respects to the Egyptians {that troubles or oppresses; anguish} claim to a Sovereign State as that which was then later the basis of Roman Empire Governance, we draw upon this observation: "And Moses {taken out; drawn forth} was learned in all the wisdom of the Egyptians {that troubles or oppresses; anguish}, and was mighty in words and in deeds." For had ye believed Moses, ye would have believed me: for he wrote of me. But if believe not his writings, how shall ye believe my words?" [John 5:44-47]

Thus we may say, Moses was acquainted with this very image obtained from the Egyptian Book of the Dead:

From the Egyptian Book of the Dead clearly shows the TRIAD MICROCOSM / SEPTET MACROCOSM as encapsulation of the meta-descriptor prototypes were clearly understood and see equivalence between Hexagrams H37 - JIAREN {THE FAMILY} / H31 - XIAN {RECIPROCALITY} AND GENESIS CHAPTERS 1 to 4

One could then apply the view from the Torah as to the relativity of these cosmic nature cycles:

#15 = (Adam) Garden

#34 = (Noah) Waters (ie. Roman Collegium comprising 16 elements, TERNIO ANAGRAM and the Pythagorean binomial nomenclature)

#65 = (Abraham) Overthrow

#111 = (Moses) Departure

The Jews otherwise share that #72 worldview {Pythagorean HETEROS THEORY OF NUMBER} as the conception of EVIL depicted within the TORAH's Genesis account of Adam /Eve and their fall into sin as with Roman Empire Governance, Roman Catholicism, Islam, Freemasonry and German Fascism.

"And there came one of the seven angels which had the seven vials, and talked with me, saying unto me, Come hither; I will show unto thee the judgment of the great whore that sitteth upon many waters:

With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication.

So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns.

And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication: {ie.

THAT THE PYTHAGOREAN TETRAD IS SOPHISTIC OPINION WHICH HAS
Given rise to the heteros [Babylonian] theory on number, is itself defined by this microcosm [1-5-6-7-2-3-4-8-9] as being then associated to the order of the septet phenomenal macrocosm as the progression of magic squares using (#260) the encapsulated 64 hexagrams as meta-descriptor prototypes to redefine (#369) the #81 trigrams (tetragrammaton), (#15) marriage and (#34) the Roman collegium:

According to I Ching commentary on the Hexagram 31 - Reciprocity [GEN (ie. #8 as 8x8=64 / #260 using Pythagorean sum line reduction) below + DUI (ie. #7 as 4x4=16 / #34 using Pythagorean sum line reduction) above].

It is by the mutual stimulation of Heaven and Earth (ie. I Ching on Hexagram H37 - The Family (The Clan), Dwelling People, Family Members;

Judgment: The family is such that it is fitting that the woman practice constancy. {The concept underlying the family is that each family member cultivates the Dao of his own family and that he is incapable of understanding the affairs of other people outside the family. In terms of the general and underlying principle involved, constancy here is not the constancy of the noble man with its scope of fundamental prevalence, so this is why 'it is fitting that the woman practice constancy.' Her practice of it is properly only something for inside the family.}

Commentary: As far as the Family is concerned, the woman's proper place is inside it (This refers to Second Yin), and the man's proper place is outside it (This refers to Fifth Yang).

Comment: This is an improper logical syllogism made against the equitable rights of women and is rendered redundant by my use of a superior, equitable and harmonious number nature mechanism which deploys a mathematical septet macrocosm of 7 x #369 (that is inclusive of Roman Empire Governance and other religious belief usage) Magic Squares as the meta-encapsulated autonomous driver, 1 x HETRO-
SQUARE spirogyra order array as the Transformative MARRIAGE Prototype, in addition to the continued utilisation of the DAOist array as the accumulative Chinese I CHING, DAO TE CHING and CANON OF SUPREME MYSTERY meta-descriptor prototypes in elaboration of the COURSE-TROCHOS of NATURE-GENESIS, for their honest articulated foundation of Empire Governance being then the imperative to the Autonomous Prototype.

As a concept, the Family is based on what the inner [lower] trigram represents [of which Second Yin is the ruler], and this is why the text mentions the woman first.

**COMMENT:** According to Hexagram 31 - RECIPROCITY: It is by the mutual stimulation of Heaven and Earth (ie. **H27** - YI [Nourishment/ZHEN (ie. #3 - NATURE SURMOUNTS NATURE) below + GEN (ie. #8 - TRANSFORMING NATURE) above] + **H9** - XIAOXU [Lesser Domestication/QIAN (ie. #6 - FORM OF NATURE) below + SUN (ie. #4 - NATURE AMENDED IN ITS NATURE) above] = **H36** - MINGYI [Suppression of the Light/LI (ie. #9 - AUTONOMOUS NATURE) below + KUN (ie. #1 - NATURE CONTAINS NATURE) above]) that the myriad things are created.

A view may then be formed, that the Hexagrams are also utilised as the internal definition to the Tetragrammaton Hierarchy itself as the basis for the HOMOIOS THEORY OF NUMBER:

+ 0, **H27** - YI [Nourishment/ZHEN (ie. #3 - NATURE SURMOUNTS NATURE) below + GEN (ie. #8 - TRANSFORMING NATURE) above], **H54** - GUIMEI [Marrying Maid/DUI (ie. #7 - ENGENDERING NATURE) below + ZHEN (ie. #3 - NATURE SURMOUNTS NATURE) above] {ie. Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves: Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen.

For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompense of their error which was meet.

And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient; Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers, backbiters, haters of God, despiteful, proud, boasters, inventors of evil things, disobedient to parents, without understanding, covenant-breakers, without natural affection, implacable, unmerciful: Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them. " [Romans 1:24-32 (KJV)]

According to the DAOist meta descriptor prototype schema of NUMBER, the male and female should keep to their proper places; this is the fundamental concept expressed by Heaven and Earth. The Family is provided with strict sovereigns, whom we call Father and Mother [Fifth
Yang and Second Yin.

WHEN THE FATHER BEHAVES AS A FATHER: {ie. H1 - MONAD: QIAN [Pure Yang/QIAN (ie. #6 - FORM OF NATURE) above + QIAN (ie. #6 - FORM OF NATURE) below] as MALE},

THE MOTHER AS A MOTHER: {ie. H2 - DUAD: KUN [Pure Yin/KUN (ie. #2 - NATURE REJOICES IN ITS NATURE) above + KUN (ie. #2 - NATURE REJOICES IN ITS NATURE) below] as FEMALE},

THE SON AS SON:

- THE ELDER BROTHER AS ELDER BROTHER: {ie. H6 - SONG/ *JIHAD*? [Contention/KAN (ie. #1 - NATURE CONTAINS NATURE) below + QIAN (ie. #6 - FORM OF NATURE) above] {ie. Self identity - Formula of Autonomy}}

- THE YOUNGER BROTHER AS YOUNGER BROTHER: {ie. H3 - ZHUN [Birth Throws/ZHEN (ie. #3 - NATURE SURMOUNTS NATURE) below + KAN (ie. #1 - NATURE CONTAINS NATURE) above] as 'fundamentality [yuan], prevalence [heng], fitness [li] and constancy [zhen]', H6 - SONG/ *JIHAD*? [Contention/KAN (ie. #1 - NATURE CONTAINS NATURE) below + QIAN (ie. #6 - FORM OF NATURE) above] {ie. Formula of Progression of individual phenomena}}

The husband as husband, and the wife as wife, then the Dao of the Family will be correctly fulfilled. When the Family is so maintained with rectitude, the entire world will be settled and at peace.

IMAGES: Wind emerges from Fire: this constitutes the image of the Family. {It is a powerful action that starts from the inside [the inner trigram] and provides for their mutual generation}. In the same way, the noble man ensures that his words have substance and his actions perseverance. {In the Dao of the Family, one should tend to familiar and little things and avoid any carelessness or rashness in doing so. Thus should the noble man 'ensure ... that his words have substance' and that he put nothing in his mouth that does not belong there:

SUPER (MALE) & EGO (FEMALE) IDEA: #135

b) #30, #9, #40, #50, #6 = taman (H2934): 1) to hide, conceal, bury; 1a) (Qal); 1a1) to hide; 1a2) hiding, concealing, secretly laying (participle); 1a3) darkness (participle); 1b) (Niphal) to hide oneself; 1c)

e) \#10, \#9, \#70, \#40, \#6 = ta`am (H2938): 1) to taste, perceive, eat; 1a) (Qal) to taste;

An improper inclination determines the constitution of one's basic person, if it remains solid and strong, or whether this has gone so far as to damage one's equanimity (ie. [Origins Latin]: æquanimitas having an even mind; aequis even animus mind/soul which is a state of psychological stability and composure which is undisturbed by experience of or exposure to emotions, pain, or other phenomena that may cause others to lose the balance of their mind. The virtue and value of equanimity is extolled and advocated by a number of major religions and ancient philosophies).

He should 'ensure that ... that his actions have perseverance' and that he allow himself to do nothing that should not be done.}

"Then came to Jesus {He is saved/A saviour; a deliverer} of Nazareth {Sovereign; one chosen or set apart; separated; crowned; sanctified} scribes and Pharisees, which were of Jerusalem {vision of peace}, saying, 'Why do thy disciples transgress the tradition of the elders? For they wash not their hands when they eat bread {ie. EGO (FEMALE) IDEA: \#135 as \#40, \#90, \#5 = matstsah (H4682): 1) unleavened (bread, cake), without leaven}.'

But he answered and said unto them, 'Why do ye also transgress the commandment of God by your tradition? For God commanded, saying, Honour thy father and mother: and, He that curseth father or mother, let him die the death.

But ye say, Whosoever shall say to his father or his mother, It is a gift, by whatsoever thou mightest be profited by me; And honour not his father or his mother, he shall be free. Thus have ye made the commandment of God of none effect by your tradition.

Ye hypocrites, well did Esaias {God the Lord, the strong Lord} prophesy of you, saying, This people draweth nigh unto me with their mouth, and honoureth me with their lips; but their heart is far from me. But in vain they do worship me, teaching for doctrines the commandments of men."
And he called the multitude, and said unto them, 'Hear, and understand: Not that which goeth into the mouth defileth a man; but that which cometh out of the mouth, this defileth a man.'

Then came his disciples, and said unto him, 'Knowest thou that the Pharisees were offended, after they heard this saying?'

But he answered and said, 'Every plant, which my heavenly Father hath not planted, shall be rooted up. Let them alone: they be blind leaders of the blind. And if the blind lead the blind, both shall fall into the ditch.'

Then answered Peter {a rock or stone} and said unto him, 'Declare unto us this parable.'

And Jesus said, 'Are ye also yet without understanding? Do not ye yet understand, that whatsoever entereth in at the mouth goeth into the belly, and is cast out into the draught? But those things which proceed out of the mouth come forth from the heart; and they defile the man. For out of the heart proceed evil thoughts, murders, adulteries, fornications, thefts, false witness, blasphemies: These are the things which defile a man: but to eat with unwashen hands defileth not a man.'

Then Jesus went thence, and departed into the coasts of Tyre {strength; rock; sharp} and Sidon {hunting; fishing; venison}.

And, behold, a woman of Canaan {merchant; trader; or that humbles and subdues} came out of the same coasts, and cried unto him, saying, 'Have mercy on me, O Lord, thou Son of David {well-beloved, dear}; my daughter is grievously vexed with a devil.'

But he answered her not a word. And his disciples came and besought him, saying, 'Send her away; for she crieth after us.'

But he answered and said, 'I am not sent but unto the lost sheep of the house of Israel {who prevails with God}.'

Then came she and worshipped him, saying, 'Lord, help me.'

But he answered and said, 'It is not meet to take the children's bread {ie. EGO (FEMALE) IDEA: #135 as #40, #90, #5 = matstsah (H4682): 1) unleavened (bread, cake), without leaven}, and to cast it to dogs.'

And she said, 'Truth, Lord: yet the dogs eat of the crumbs which fall from their masters' table.'

Then Jesus answered and said unto her, 'O woman, great is thy faith: be
it unto thee even as thou wilt. And her daughter was made whole from that very hour.' [Matthew 15:1-28 (KJV)]

**SEQUENCE:** When one is wounded abroad, he is sure to return to his own home. This is why MINGYI [Suppressions of the Light, Hexagram 36] is followed by JIAREN [The Family].

This is further clarified within the I CHING commentary given on Hexagram H31 - CONJOINING, INFLUENCE (WOOING), FEELINGS:

Reciprocity is defined as a matter of stimulation and as the means by which prevalence is had: 'It is fitting to practice constancy here. To marry a woman means good fortune.'

Here the soft and yielding [DUI (Joy), here representing the Youngest Daughter] is above, and the hard and strong [GEN (Restraint), representing the Youngest Son] is below. The two kinds of material force [qi] stimulate and respond and so join together. {This is how 'prevalence is had.'} The one is passive, and the other joyous. {And this is how 'it is fitting to practice constancy here.'} The male takes a place below the female, {so 'to marry a woman means good fortune.'} and his is how 'prevalence is had,' how 'it is fitting to practice constancy,' and how 'to marry a woman means good fortune.' It is by the mutual stimulation of Heaven and Earth that the myriad things are created (ie.

H27 - YI [Nourishment/ZHEN (ie. #3 - NATURE SURMOUNTS NATURE) below + GEN (ie. #8 - TRANSFORMING NATURE) above] +

H9 - XIAOXU [Lesser Domestication/QIAN (ie. #6 - FORM OF NATURE) below + SUN (ie. #4 - NATURE AMENDED IN ITS NATURE) above]

= H36 - MINGYI [Suppression of the Light/LI (ie. #9 - AUTONOMOUS NATURE) below + KUN (ie. #1 - NATURE CONTAINS NATURE) above]

). {With the joining together of the two kinds of material force, creation takes place} It is by the sage stimulating the hearts and minds of men that the entire world finds peace. If we observe how things are stimulated, the innate tendencies [QING] of Heaven and Earth and all the myriad things can be seen. {The innate tendencies of Heaven and Earth and the myriad things are seen in how they are stimulated. Whenever stimulation takes place, it is a realization of the Dao of Reciprocity, but if stimulation cannot take place, this means that the things involved do not belong to the same category of existence. Thus the text cites marrying a woman to illustrate the principle of common categories. When beings of the same category of existence do not stimulate and respond to each other, in each such instance it is because some overreaching of station occurs. Thus, although a woman is a creature who should respond to a
man, it is necessary for the man to take a place beneath her, for only then will marriage to her result in good fortune

And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration. And the angel said unto me, Wherefore didst thou marvel? I will tell thee the mystery of the woman, and of the beast that carrieth her, which hath the seven heads and ten horns.

The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not,

Did you like my poem where {#490} is the CATEGORY OF UNDERSTANDING for the time of 2349 HOURS ON 7 SEPTEMBER 2017 as the earthquake EVENT within Mexico?"

"Then spake Jesus {He is saved/A saviour; a deliverer} of Nazareth {Sovereign; one chosen or set apart; separated; crowned; sanctified} to the multitude, and to his disciples.

Saying, 'The scribes and the Pharisees sit in Moses' {taken out; drawn forth} seat: All therefore whatsoever they bid you observe, that observe and do; but do not ye after their works: for they say, and do not:
Within Greek mythology Sisyphus or Sisyphos (Greek: Σίσυφος, Sísuphos) was the king of Ephyra and now known as Corinth {which is satisfied; ornament; beauty}. He was punished for his self-aggrandizing craftiness and deceitfulness by being forced to roll an immense boulder up a hill, only to watch it come back to hit him, repeating this action for eternity. Through the classical influence on modern culture, tasks that are both laborious and futile are therefore described as Sisyphean as denoting a task which can never be completed.

For they bind heavy burdens and grievous to be borne, and lay them on men's shoulders; but they themselves will not move them with one of their fingers." [Matthew 23:1-4 (KJV)]

DOLF @ 0025 HOURS ON 6 SEPTEMBER 2017: "And noted that our passionate time together was not an avaricious want which is inhibited by an immaterial and a non-essential construct of age differential--mine was after all the more vivacious as naturally defined body.

[And arsed 'best sex his ever had' image as 'Elizabeth Bay / Chesterfield Sofa / Travel Agent' propaganda instrument of cyber warfare omitted]

And I must also convey this caveat so as to avoid the circumstance where a mature, healthier and harm minimisation response to opportunistic recreational drug usage {ie. *it's* *the* *prolonged* *nutrient* *deficiency* *which* *manifests* *the* *most* *significant* *physiological* *deprivations* *and* *harm*} which is sometimes negotiated within the context of the sexual act. I just want clearly to avoid the consideration of an entrapment given our mutual nonjudgmental and nonchalant attitude to recreational drugs.

My intention is to unambiguously know who it is it that is asking me about the specific questions of what is the nature of this sexual act which we have as a common interest of affection?

And to give you some earnest love and affection as an intimacy which they will be incapable of withstanding.

And we will then leave any such dialogue on those other inconsequential matters, when there is privacy so that one can mediate what is a disproportionate want of the other person who is intentioned on leading you into a particular direction and more capably bear immediately and
unambiguously upon the facts at issue as being a non essentiality for me.

Often times my response to attempts at the frustrated mediation of the age differential by a #4 - "VARIANCE OF ACCEPTABILITY AS THE CAUSE FOR IMPROBABILITY" within boundaries as #5 - "THE PERMISSIBILITY OF IDEALISATIONS" is then having recourse to the observation that the permissibility of this dynamic and its capacity for any respect as its worldview of a viable Formula Of Humanity, is usually framed by a person’s relationships within their married (de facto or ipso facto) parents."

"Thank you Dolf my iPad only works intermittently and your offer of such a gift is lovely but I have something very similar so I won't deed it, but you have already made me happy by even considering it.

As you may know I pencilled the [next book] launch for 1 October [but] my publishers now want it to be on Sunday 5 November and of course I [would] love to see you [and] that in it self is a gift.

I have not yet publicly announced it yet but will in the next week.

You will be pleased with my story about you... as with the two photographs... No every body is named so there are characters that I gave other first names [to]... there will be many personalities that you can [only] guess at.

It is my memoir [after all] and told from my mind's eye.

It has no sex in it but much romance.
Last week I had to two operations to have some skin cancer removed thankfully not melanoma, my own fault you remember how I used to go to the solarium... now I am paying for it, never mind.

The weather is so strange these cold winds snow had been falling near the Great Ocean Road and the temp at the moment is 5 degrees, it works on my mood I am afraid...

I suppose it is just as cold in Sale?

So I am translating Big Bunches into Dutch... it is may be be the first book ever written in Dunglish... Hope that the High Court dismisses this Same Sex Marriage opinion poll.

Anyway dear Dolf keep warm and thank you once again.

Love Keith... we go back a long time xo"

**DOLF @ 1811 HOURS ON 23 AUGUST 2017: "TO THE EDITOR STAR
OBSERVER SYDNEY: PRIVATE NOT FOR PUBLIC RELEASE UNDER ANY
CIRCUMSTANCES:

Why I hijacked the GLBTI protest against an anti-homosexual Gippsland
Times Advert (SALE, GIPPSLAND).

Unfortunately the GLBTI Community places itself in opposition to my own
activism activity which has a GLOBAL reach.

That they were today unwittingly protesting outside a 24 Hour GYM which
is right next door to the Gippsland Times and Maffra Spectator Offices and
suspected of surreptitious participation with the anti-GLBTI same sex
marriage as SAINT ANDREWS campaign and the depraved RIGHTS 4
WHITES pro-CATHOLIC, ANTI POLICE / AMBULANCE graffiti which defaces
the "I DO SUPPORT SAME SEX MARRIAGE WITHIN GIPPSLAND"
photographic campaign and actually provides the morphological story-
board for it. And unfortunately there was a person holding a picture
framed image which is a characteristic of the POTUS cause célèbre with a
broken picture frame outside a music store in Raymond St on Saturday 4
March 2017 when Sydney Mardi Gras was being celebrated within our
community.

I had earlier removed three unlawful advertising adhesive (sticker)
posters which were being used by this same GYM which is shown in the
pictures. One of which was stuck on the Clock Tower within the TOWN
SQUARE (that has also got some very distinct A-U-M belief systems
associated sticker graffiti associated to 19 August Indian New Year (which
was not celebrated this year) and Mithraic / A-U-M Religious belief held in
common by the White Brotherhood / Freemasons / Theosophical Society /
Roman Catholicism / Orthodox / Islam / Judaism. And another (shown as
partially torn down at a vacant DEMIN & WHITE BOUTIQUE AND
HOMEWARES.

Hence my comments, "It's unlawful to stick posters up on public buildings
and clock towers." (They probably thought I was talking about "I DO
SUPPORT SAME SEX MARRIAGE IN GIPPSLAND")

The replied, "Oh Lordy, Lordy Lord."

I quipped, "Yes I AM." (of the Sabbath and which has a code word of
opposition saT.U.R.D.ay / toilet and NEO-FASCISM within America)

On my return I said, "You are body fascists and your fat arse wouldn't
look good in denim."

The replied, "I look good in anything."

I quipped, "Not in a condom."

Attached are two documents which are a part of my own campaign which *MUST* *NOT* *BE* *PUBLICLY* *RELEASED*. As I was serving the second document upon the "TOWN SQUARE BOUTIQUE" I observed (I didn't pay too much attention) a camera crew about to take an interview in front of a DEMONIC (eclipse associated) MURAL and this solar / lunar eclipse symbol with HINH (sino-vietnamese) says it all--THAT WAS A MOST PRECARIOUS PLACE TO BE OF ALL AND I JUST WONDER IF THEY ARE DOING THE GLBTI COMMUNITY ANY FAVOURS AT ALL.

FURTHER ON THE MURAL AT THE KURB SKATEBOARD SHOP, IT CONVEYS A PENTAD:

**ETYMOLOGY:**
The word *HINH* which is a Sino-Vietnamese word from 形 meaning 'form'

**(HÌNH) NOUN:**
- image
- a figure or a silhouette
- a photo; a picture
- (geometry) a shape

**USAGE:**
In 2D geometry, hinh refers to "shape".

In 3D geometry, it also refers to the surfaces of solids, especially when calculating their surface areas rather than their volumes whereby khối ("solid") is used. For example, you calculate the surface area of a hình cầu, but you calculate the volume of a khối cầu, even though both of those terms can simply be translated as "sphere".

**DERIVED TERMS:**
- hình chữ nhật ('rectangle')
- hình học ('geometry')
- hình vĩ ('syllable')
- truyền hình ('television')
- trò chơi ghép hình ('Jigsaw puzzle')

- <https://drive.google.com/open?id=0BzRmc7Bm7inddmVfYzVPUXRQb1U>

**SUMMARY:** At issue is the apparent stubborn reluctance by an indulgent failure to remove offensive 'FASCIST (RIGHTS 4 WHITES), ANTI-SEMITIC, HOMOPHOBIC AND MISOGYNISTIC' as A-U-M FREEMASONRY / CATHOLIC values based graffiti upon the exterior of the premises out of which you operate a clothing business named 'TOWN SQUARE BOUTIQUE'. It can be deduced from the evident change within your BUSINESS IDENTITY as replacement made to public SIGNAGE which is shown within unobtrusive
publicity photographs taken in February 2010 (TOP LEFT) / 2017 (TOP RIGHT) and more recently 23 August 2017 (BOTTOM LEFT and RIGHT) that the non-removal of this cognitive dissonance as a blight upon your conscience in any exercise of 'INTELLECTUS AS GENITIVE VOLUNTĀTIS', is that such jingoistic decorum accorded entirely with both your corporate business image and private values.

SERVICE NOTE: In response to that accusation over the non-removal of the public depravity as the indecency which is this graffiti.

The female store assistant to 'TOWN SQUARE BOUTIQUE' said, '*ABSOLUTELY*'.

**DOLF @ 1243 HOURS ON 24 AUGUST 2017:** "In relation to rectifying the "the Sabbath and which has a code word of opposition saT.U.R.D.ay / toilet and NEO-FASCISM within America"

I have following testing the utility purpose of alcohol swabs for wiping the screens of mobile phones and tables such as iPhone / iPad. Following obtaining a reasonable opinion from a local Pharmacist of there being some practical and beneficial purpose [and before media release of some 22+ associated disease deaths] for the reduction as harm minimalization of E. coli (Escherichia coli) and ipso facto Hepatitis A and flu (influenza) viruses I purchased 2 x 200 (@ $.30 for 5 ea strip) boxes @ $7.98 ea and donated them to a local Apple Authorized Reseller: AZ Computers.

— INTELLECTUS AS GENITIVE VOLUNTĀTIS —

"TO BE SURE, TO BE SURE.

AND AGES ENDURE."

And suggested that since we live within a regional area where Crystal Methamphetamine use is substantially high, that the probability of personal hygiene and ipso facto interpersonal hygiene (ie. my flu onset had no interpersonal risk other than by money exchange) would be diminished.

And recommended that the Apple Authorized Reseller pass on this hygiene tip (ie. with a gift of 100 swabs) to each of the two mobile phone repair centres who do not deploy hygiene harm minimalization to any significant degree as routinely occurs within restaurants, cafes and dentists.
Note that the shown as partially torn down GYM Sticker poster has been within 24 hours removed from the vacant DENIM & WHITE BOUTIQUE AND HOMEWARES store.

— MIND MUSCLE —

"FITNESS ANYTIME.
SUCH IS THE CRIME.
I DON'T HAVE TIME.
NOR GIVE A DIME.
I'M JUST SUBLIME."

That there were two instances (one scrubbed out by me with spittle and cigarette package discarded nearby) of graffiti as "HELL '17" with an ECLIPTIC shape above had appeared upon a black rubbish bin. And a sticker black name label graffiti had been removed from a black rubbish bin within the TOWN SQUARE.

— SK@T H8R —

"BIN IT OR KURB IT.
NOT STREET WISE.
MIRROR SAYS IT ALL.
JUST WEARING SH@T.
YA FACE DISGUISE.
DEPRAVITY'S PALL."

Finally, that I have yesterday had a detailed discussion with gardeners within the precinct of the TOWN SQUARE specifically with a reference to the Chinese Gardens within Sydney as the prospect in the mapping the DAOist reality of the Gardens as a circular nomenclature reference point with the prospect of utilizing augmented reality and my Intellectual Property associated with Artificial Intelligence as machine based cognition to then be able to determine which plant species is by nature then optimal for any given elemental scenario."
